Research Analysis

SJR33 directs the Secretary of State to refer a constitutional amendment to a vote of the people. The proposed amendment is to Section 12 of Article II, regarding holding of multiple offices. Current language reads that no member of Congress or person holding any office in any other state or with the United States government may hold an office within Oklahoma. The amendment clarifies that this provision is not to be construed to prohibit officers and enlisted members of the National Guard, National Guard Reserve, Officers Reserve Corps, Organized Reserves of the United States, Oklahoma State Guard, or any other active state militia or force. The measure includes a ballot title.
