

CONFERENCE COMMITTEE REPORT SUMMARY

Measure HB2797

Principal Authors: Representative Coody (Ann)
Senator Griffin

General Subject Matter: Schools

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

Section 2. The State Department of Health is directed to develop, update annually and maintain an electronic form containing information about public and private agencies and services available to assist a woman through pregnancy, childbirth, adoption, and childhood. By January 1, 2018, the Department must make available to licensed public facilities that contain a public restroom signage that is to be posted in the restroom containing the statement and website address contained in the bill.

√ Changes made in conference:

Section 4. Contingent upon the availability of funds being appropriated by the Legislature for this purpose, the State Department of Education in collaboration with the State Department of Health must establish an instructional program for students consistent with the provision of the Humanity of the Unborn Child Act. The program is optional and gives local school boards that choose to implement it control over the content, provided the instruction meets certain requirements.
