SECTION 1. AMENDATORY 2 O.S. 2011, Section 6-602, is amended to read as follows:

Section 6-602. A. The purpose of the Feral Swine Control Act is to provide aggressive measures to reduce the number of feral

1 swine in Oklahoma. Feral swine are a nonnative invasive species in
2 Oklahoma that are detrimental to the natural resources of Oklahoma
3 and agriculture production, and a disease risk. As the feral swine
4 population increases, the citizens of Oklahoma continue to see
5 increased damage to crops, livestock, and wildlife habitat. As
6 carriers of diseases like brucellosis, pseudorabies, tuberculosis,
7 anthrax, and trichinosis, feral swine pose an increasing health risk
8 to humans, livestock, companion animals, pets, and native wildlife.

9 B. Any person who meets the hunting requirements of the
10 Department of Wildlife Conservation shall be obligated to kill any
11 and all feral swine upon capture, unless licensed to transport
12 pursuant to the Feral Swine Control Act.

15 Section 6-608), is amended to read as follows:

16 Section 6-608. A. No person shall import live feral swine into
17 this state ~~unless the live feral swine are going directly to a~~

19 ~~1-27 permit for the movement of restricted animals~~ except by order
20 of the State Veterinarian.

21 B. All feral swine in this state that test positive for
22 brucellosis or pseudorabies shall be immediately sent directly to

- 12 1. A licensed sporting facility;
- 13 2. A licensed handling facility;
- 14 3. Directly to an approved slaughter facility; or
- 15 4. Pursuant to an order issued by the State Veterinarian.

16 D. The Department shall not issue a new license for a licensed
17 sporting facility after July 1, 2015. Any applicant for a licensed
18 handling facility that can show significant investment committed
19 prior to January 27, 2015, to a proposed licensed sporting facility
20 may obtain a new licensed sporting facility license after July 1,
21 2015.

3 swine are held solely for domestic consumption purposes. No person
4 shall allow breeding of feral swine held for domestic consumption
5 purposes.

6 G. Any person adding feral swine to a licensed sporting
7 facility shall ensure each feral swine is individually identified
8 with a form of official identification prior to entry into the
9 licensed sporting facility.

10 SECTION 4. AMENDATORY 2 O.S. 2011, Section 6-613, as
11 amended by Section 3, Chapter 32, O.S.L. 2012 (2 O.S. Supp. 2014,
12 Section 6-613), is amended to read as follows:
