2 alleged to have been committed while the person was operating or in
3 actual physical control of a motor vehicle upon the public roads,
4 highways, streets, turnpikes or other public place or upon any
5 private road, street, alley or lane which provides access to one or
6 more single or multi-family dwellings while under the influence of
7 alcohol or other intoxicating substance, or the combined influence
8 of alcohol and any other intoxicating substance, or if the person is
9 involved in a traffic accident that resulted in the immediate death
10 or serious injury of any person and is removed from the scene of the
11 accident to a hospital or other health care facility outside the
12 State of Oklahoma before a law enforcement officer can effect an
13 arrest.

14 2. A law enforcement officer, having reasonable grounds to
15 believe that such person was operating or in actual physical control
16 of a motor vehicle while under the influence may direct the
17 administration of or administer the test or tests.

18 3. Before a test or tests are administered, the person shall be
19 given oral notice that:

20 a. Oklahoma law requires the person to submit to and
21 complete one or more tests of breath, blood or urine
22 to determine if the person is under the influence of
23 alcohol, any other intoxicating substance, or the
24

1 combined influence of alcohol and any other
2 intoxicating substance, and

8 installed on the motor vehicle of the person for not
9 less than eighteen (18) months following the mandatory
10 period of revocation.

11 As used in this title, the term "other intoxicating substance"
12 shall mean any controlled dangerous substance as defined in the
13 Uniform Controlled Dangerous Substances Act and any other substance,
14 other than alcohol, which is capable of being ingested, inhaled,
15 injected or absorbed into the human body and is capable of adversely
16 affecting the central nervous system, vision, hearing or other
17 sensory or motor functions.

19 employed may designate, in accordance with the rules of the Board of
20 Tests for Alcohol and Drug Influence, hereinafter referred to as the
21 Board, whether blood or breath is to be tested for the alcohol
22 concentration thereof, and whether blood, saliva or urine is to be
23 tested for the presence or concentration of any other intoxicating
24 substance therein.

1 In the event the law enforcement agency does not designate the
2 test to be administered, breath shall be the substance tested for
3 alcohol concentration. Blood may also be tested to determine the
4 alcohol concentration thereof in the event that breath cannot be
5 tested to determine the alcohol concentration thereof because of the
6 lack of an approved device or qualified person to administer a
7 breath test or because such breath test for any other reason cannot
8 be administered in accordance with the rules of the Board.

9 In the event the law enforcement agency does not designate the
10 test to be administered, blood, saliva or urine shall be the
11 substance tested for the presence or concentration of any other
12 intoxicating substance or the combination of alcohol and any other
13 intoxicating substance.

14 C. In the event the person is incapable of submitting to and
15 successfully completing, by reason of illness or injury or other
16 physical disability, the test to be administered, an alternate test
17 may be administered in accordance with the rules of the Board.

19 refusing to submit to a test of such person's blood or breath to
20 determine the alcohol concentration thereof, or to a test of such
21 person's blood, saliva or urine to determine the presence or
22 concentration of any other intoxicating substance therein, shall be
23 deemed not to have withdrawn the consent provided by subsection A of
24 this section, and such test may be administered as provided herein.

1 An unconscious person who has been issued a citation by a law
2 enforcement officer for one of the offenses listed in subsection A
3 of this section is arrested for purposes of this section. The
4 arresting officer must leave a copy of the citation with the
5 arrested person which may be accomplished by handing it to the
6 arrested person, or by leaving it with the personal effects of the
7 arrested party, so as to inform the unconscious person of the
8 arrest.

9 Any person who has been arrested for one of the offenses listed
10 in subsection A of this section who is unconscious or injured and
11 who requires immediate medical treatment as determined by a treating
12 physician may be released on the person's own recognizance for
13 medical reasons by the arresting officer. The arresting officer who
14 releases an arrested person on the person's own recognizance must
15 indicate the release on the face of the citation. Any person
16 released on his or her own recognizance for medical reasons shall
17 remain at liberty pending the filing of charges.

18 E. In addition to any test designated by the arresting officer,
19 the arrested person may also designate any additional test to be
20 administered to determine the concentration of alcohol, or the
21 presence or concentration of any other intoxicating substance or the
22 combination of alcohol and any other intoxicating substance. The
23 cost of such additional test shall be at the expense of the arrested
24 person.

1 A sufficient quantity of any specimen obtained at the
2 designation of the arrested person shall be available to the law
3 enforcement agency employing the arresting officer. Such specimens
4 shall be treated in accordance with the rules applicable to the
5 specimens obtained by an arresting officer.

6 F. When a law enforcement officer has determined that the blood
7 alcohol content of an individual is to be tested for the presence or
8 concentration of alcohol, other intoxicating substance, or the
9 combination of alcohol and any other intoxicating substance, the law
10 enforcement officer shall inform the individual to be tested that
11 the withdrawal of blood shall only be performed by certain medical
12 personnel as provided for in Section 752 of this title.

13 SECTION 2. This act shall become effective November 1, 2015.
