21 title;

6 SECTION 8. AMENDATORY 43A O.S. 2011, Section 5-416, is
7 amended to read as follows:

8 Section 5-416. A. The court, in considering a commitment
9 petition filed under Section 5-410 ~~or Section 9-102~~ of this title,
10 shall not order hospitalization without a thorough consideration of
11 available treatment alternatives to hospitalization, or without
12 addressing the competency of the consumer to consent to or refuse
13 the treatment that is ordered including, but not limited to, the
14 rights of the consumer:

- 15 1. To be heard concerning the treatment of the consumer; and
- 16 2. To refuse medications.

17 B. 1. If the court, in considering a commitment petition filed
18 under Section 5-410 ~~or Section 9-102~~ of this title, finds that a
19 program other than hospitalization, including an assisted outpatient
20 treatment program, is adequate to meet the treatment needs of the
21 individual and is sufficient to prevent injury to the individual or
22 to others, the court may order the individual to receive whatever
23 treatment other than hospitalization is appropriate for a period set
24 by the court; provided, the court may only order assisted outpatient

1 treatment if the individual meets the criteria set forth in Section
2 1-103 of this title and in subsection F of this section. During
3 this time the court:

4 a. shall have continuing jurisdiction over the individual
5 as a person requiring treatment or an assisted
6 outpatient, and

7 b. shall periodically, no less often than annually,
8 review the treatment needs of the individual and
9 determine whether or not to continue, discontinue, or
10 modify the treatment.

11 2. If at any time it comes to the attention of the court from a
12 person competent to file or request the filing of a petition,
13 pursuant to subsection A of Section 5-410 of this title, that the
14 individual ordered to undergo a program of alternative treatment to
15 hospitalization is not complying with the order or that the
16 alternative treatment program has not been sufficient to prevent
17 harm or injury which the individual may be inflicting upon himself
18 or others, the court may order the person to show cause why the
19 court should not:

20 a. implement other alternatives to hospitalization,
21 modify or rescind the original order or direct the
22 individual to undergo another program of alternative
23 treatment, if necessary and appropriate, based on
24 written findings of the court, or

1 b. enter an order of admission pursuant to the provisions
2 of this title, directing that the person be committed
3 to inpatient treatment and, if the individual refuses
4 to comply with this order of inpatient treatment, the
5 court may direct a peace officer to take the
6 individual into protective custody and transport the
7 person to a public or private facility designated by
8 the court.

9 3. The court shall give notice to the person ordered to show
10 cause and hold the hearing within seventy-two (72) hours of the
11 notice. The person ordered to undergo a program of alternative
12 treatment shall not be detained in emergency detention pending the
13 show cause hearing unless, prior to the emergency detention, the
14 person has undergone an initial examination and a determination is
15 made that emergency detention is warranted.

16 4. If an order of alternative treatment will expire without
17 further review by the court and it is believed that the individual
18 continues to require treatment, a person competent to file or
19 request the filing of a petition, pursuant to subsection A of
20 Section 5-410 of this title, may file or request the district
21 attorney file either an application for an extension of the court's
22 previous order or an entirely new petition for a determination that
23 the individual is a person requiring treatment or an assisted
24 outpatient.

1 5. A hearing on the application or petition filed pursuant to
2 paragraph 4 of this subsection shall be held within ten (10) days
3 after the application or petition is filed, unless the court extends
4 the time for good cause. In setting the matter for hearing, the
5 court shall consider whether or not the prior orders of the court
6 will expire during the pendency of the hearing and shall make
7 appropriate orders to protect the interests of the individual who is
8 the subject of the hearing.

9 C. Prior to ordering the inpatient treatment of an individual,
10 the court shall inquire into the adequacy of treatment to be
11 provided to the individual by the facility, and inpatient treatment
12 shall not be ordered unless the facility in which the individual is
13 to be treated can provide such person with treatment which is
14 adequate and appropriate to such person's condition.

15 D. Nothing in this section shall prohibit the Department of
16 Mental Health and Substance Abuse Services or the facility or
17 program providing the alternative treatment from discharging a
18 person admitted pursuant to this section, at a time prior to the
19 expiration of the period of alternative treatment, or any extension
20 thereof. The facility or program providing the alternative
21 treatment shall file a report with the court outlining the
22 disposition of each person admitted pursuant to this section within
23 forty-eight (48) hours after discharge.
24

1 E. Notice of any proceedings pursuant to this section shall be
2 given to the person, the person's guardian, the person's attorney,
3 and the person filing the petition or application.

4 F. If the petition alleges the person to be an assisted
5 outpatient as provided in Section 6 of this act, the court shall not
6 order assisted outpatient treatment unless the petitioning licensed
7 mental health professional develops and provides to the court a
8 proposed written treatment plan. All service providers included in
9 the treatment plan shall be notified regarding their inclusion in
10 the written treatment plan. Where deemed advisable, the court may
11 make a finding that a person is an assisted outpatient and delay the
12 treatment order until such time as the treatment plan is provided to
13 the court. Such plan shall be provided to the court no later than
14 the date set by the court pursuant to subsection J of this section.

15 G. The licensed mental health professional who develops the
16 written treatment plan shall provide the following persons with an
17 opportunity to actively participate in the development of such plan:

- 18 1. The assisted outpatient;
- 19 2. The treating physician, if any;
- 20 3. The treatment advocate as defined in Section 1-109.1 of this
21 title, if any; and
- 22 4. An individual significant to the assisted outpatient,
23 including any relative, close friend or individual otherwise

1 concerned with the welfare of the assisted outpatient, upon the
2 request of the assisted outpatient.

3 H. The licensed mental health professional shall make a
4 reasonable effort to gather relevant information for the development
5 of the treatment plan from a member of the assisted outpatient's
6 family or significant other. If the assisted outpatient has
7 executed an advance directive for mental health treatment, the
8 physician shall consider any directions included in such advance
9 directive for mental health treatment in developing the written
10 treatment plan.

11 I. The court shall not order assisted outpatient treatment
12 unless the petitioner testifies to explain the proposed written
13 treatment plan; provided, the parties may stipulate upon mutual
14 consent that the petitioner need not testify. The petitioner shall
15 state facts which establish that such treatment is the least
16 restrictive alternative. If the assisted outpatient has executed an
17 advance directive for mental health treatment, the licensed mental
18 health professional shall state the consideration given to any
19 directions included in such advance directive for mental health
20 treatment in developing the written treatment plan. Such testimony
21 shall be given on the date set by the court pursuant to subsection J
22 of this section.

23 J. If the court has yet to be provided with a written treatment
24 plan at the time of the hearing in which the court finds a person to

1 be an assisted outpatient, the court shall order such treatment plan
2 and testimony no later than the third day, excluding Saturdays,
3 Sundays and holidays, immediately following the date of such hearing
4 and order; provided, the parties may stipulate upon mutual consent
5 that such testimony need not be provided. Upon receiving such plan
6 and any required testimony, the court may order assisted outpatient
7 treatment as provided in this section.

8 K. A court may order the patient to self-administer
9 psychotropic drugs or accept the administration of such drugs by
10 authorized personnel as part of an assisted outpatient treatment
11 program. Such order may specify the type and dosage range of such
12 psychotropic drugs and such order shall be effective for the
13 duration of such assisted outpatient treatment.

14 L. A copy of any court order for assisted outpatient treatment
15 shall be served personally, or by mail, facsimile or electronic
16 means, upon the assisted outpatient, the assisted outpatient
17 treatment program and all others entitled to notice under the
18 provisions of subsection D of Section 5-412 of this title.

19 M. The initial order for assisted outpatient treatment shall be
20 for a period of one (1) year. Within thirty (30) days prior to the
21 expiration of the order, a licensed mental health professional
22 employed by the Department of Mental Health and Substance Abuse
23 Services or employed by a community mental health center certified
24 by the Department pursuant to Section 3-306.1 of this title may file

1 a petition to extend the order of outpatient treatment. Notice
2 shall be given in accordance with Section 5-412 of this title. The
3 court shall hear the petition, review the treatment plan and
4 determine if the assisted outpatient continues to meet the criteria
5 for assisted outpatient treatment and such treatment is the least
6 restrictive alternative. If the court finds the assisted outpatient
7 treatment should continue, it will make such an order extending the
8 assisted treatment an additional year and order the treatment plan
9 updated as necessary. Subsequent extensions of the order may be
10 obtained in the same manner. If the court's disposition of the
11 motion does not occur prior to the expiration date of the current
12 order, the current order shall remain in effect for up to thirty
13 (30) additional days until such disposition.

14 N. In addition to any other right or remedy available by law
15 with respect to the order for assisted outpatient treatment, the
16 assisted outpatient or anyone acting on the assisted outpatient's
17 behalf may petition the court on notice to every facility providing
18 treatment pursuant to the assisted outpatient treatment order to
19 stay, vacate or modify the order.

20 O. Facilities providing treatment pursuant to the assisted
21 outpatient treatment order shall petition the court for approval
22 before instituting a proposed material change in the assisted
23 outpatient treatment plan, unless such change is authorized by the
24 order of the court. Such petition shall be filed on notice to the

assisted outpatient, any treatment advocate designated by the
assisted outpatient pursuant to this title, any attorney
representing the assisted outpatient, and any guardian appointed by
the court to represent the assisted outpatient. Not later than five
(5) days after receiving such petition, excluding Saturdays, Sundays
and holidays, the court shall hold a hearing on the petition;
provided, that if the assisted outpatient informs the court that he
or she agrees to the proposed material change, the court may approve
such change without a hearing. Nonmaterial changes may be
instituted by the assisted outpatient treatment without court
approval. For the purposes of this subsection, a material change is
an addition or deletion of a category of services to or from a
current assisted outpatient treatment plan or any deviation, without
the assisted outpatient's consent, from the terms of a current order
relating to the administration of psychotropic drugs.

P. Where, in the clinical judgment of a licensed mental health
professional:

1. The assisted outpatient has failed or refused to comply with
the assisted outpatient treatment;

2. Efforts were made to solicit compliance; and

3. Such assisted outpatient appears to be a person requiring
treatment,

the licensed mental health professional may cause the assisted
outpatient to be taken into protective custody pursuant to the

1 provisions of Sections 5-206 through 5-209 of this title or may
2 refer or initiate proceedings pursuant to Sections 5-410 through 5-
3 415 of this title for involuntary commitment to a hospital, or may
4 return the assisted outpatient to a facility providing treatment
5 pursuant to the assisted outpatient treatment plan to determine if
6 the assisted outpatient will comply with the treatment plan.

7 Failure or refusal to comply with assisted outpatient treatment
8 shall include, but not be limited to, a substantial failure to take
9 medication, to submit to blood testing or urinalysis where such is
10 part of the treatment plan, failure of such tests or failure to
11 receive treatment for alcohol or substance abuse if such is part of
12 the treatment plan.

13 Q. Failure to comply with an order of assisted outpatient
14 treatment shall not be grounds for involuntary civil commitment or a
15 finding of contempt of court.

16 SECTION 9. AMENDATORY 43A O.S. 2011, Section 5-417, as
17 amended by Section 3, Chapter 3, O.S.L. 2013 (43A O.S. Supp. 2015,
18 Section 5-417), is amended to read as follows:

8 Programs other than hospitalization to be considered shall include,
9 but not be limited to, outpatient clinics, assisted outpatient
10 treatment where available, extended care facilities, nursing homes,
11 sheltered care arrangements, home care and homemaker services, and

13 SECTION 10. AMENDATORY 43A O.S. 2011, Section 5-419, as
14 amended by Section 6, Chapter 217, O.S.L. 2013 (43A O.S. Supp. 2015,
15 Section 5-419), is amended to read as follows:

16 Section 5-419. A. The court may modify an order for
17 involuntary inpatient commitment and order alternative treatment
18 pursuant to the provisions of this section upon request of the
19 person committed or the administrator of a facility to which a
20 person has been involuntarily committed for inpatient treatment.
21 The court shall give notice to the person affected thereby and to
22 each individual required to receive notice pursuant to Section 5-412
23 of this title, to appear within five (5) regular court days, or as
24 many other days as the court may grant, and show cause why the

1 modification shall not be made. The notice shall contain the
2 following information:

3 1. The individual ordered to undergo a program of alternative
4 treatment to hospitalization is not complying with the previous
5 order, or that the alternative treatment program has not been
6 sufficient to prevent harm or injury to the person or others, or the
7 person committed for inpatient care and treatment is eligible for
8 discharge and that an evaluation conducted prior to discharge
9 determined that an order for alternative treatment is necessary in
10 order to prevent impairment or injury to the person;

11 2. A statement of the facts upon which the alleged change of
12 condition is based and a copy of any written findings entered by the
13 court;

14 3. Notice of the time and place of the show cause hearing;

15 4. Notice of the types of modifications that the court can make
16 pursuant to this hearing;

17 5. The witnesses who shall testify or offer evidence for the
18 modification which are known to the court;

19 6. That the individual has the right to an attorney, and that
20 if the individual cannot afford an attorney, one will be provided;
21 and

22 7. That the individual has the right to cross-examine
23 witnesses, and to call witnesses in such person's own defense.
24

1 B. The court may only order assisted outpatient treatment as
2 defined by Section 1-103 of this title if the person meets the
3 conditions for assisted outpatient treatment provided by this title.

4 SECTION 11. This act shall become effective November 1, 2016.
