The option to protect the identity of a law enforcement officer shall not be available to the law enforcement agency after the law enforcement agency has concluded the investigation and rendered a decision as to final disciplinary action. At such time when an investigation has

1 concluded and the law enforcement agency has rendered  
2 its decision as to final disciplinary action, the

4 provided for in this subparagraph shall be available  
5 for public inspection and copying. The audio and

19 issued a written warning,  
20 (5) events that directly led to any person being

24 investigation,

- (7) any exercise of authority by a law enforcement officer that deprives a citizen of his or her liberty,
- (8) actions by a law enforcement officer that have become the cause of an investigation or charges being filed,
- (9) recordings in the public interest that may materially aid a determination of whether law enforcement officers are appropriately performing their duties as public servants, or
- (10) any contextual events occurring before or after the events depicted in divisions (1) through (9) of this subparagraph.

b. Notwithstanding the provisions of subparagraph a of this paragraph, the law enforcement agency may, before releasing any audio or video recording provided for in this paragraph, redact or obscure specific portions of the recording that:

- (1) depict the death of a person or a dead body, unless the death was effected by a law enforcement officer,
- (2) depict nudity,
- (3) would identify minors under the age of sixteen (16) years or would undermine any requirement to keep certain juvenile records confidential as

provided for in Title 10A of the Oklahoma  
Statutes,

(4) depict acts of severe violence resulting in  
great bodily injury, as defined in Section 11-  
904 of Title 47 of the Oklahoma Statutes,  
against persons that are clearly visible, unless  
the act of severe violence was effected by a law  
enforcement officer,

Title 43A of the Oklahoma Statutes for detention  
or transportation for mental health evaluation  
or treatment or drug or alcohol detoxification  
purposes,

(8) identify alleged victims of sex crimes or  
domestic violence,

(9) identify any person who provides information to  
law enforcement or the information provided by  
that person when that person requests anonymity  
or where disclosure of the identity of the

1 person or the information provided could  
2 reasonably be expected to threaten or endanger  
3 the physical safety or property of the person or  
4 the physical safety or property of others,

5 (10) undermine the assertion of a privilege to keep  
6 the identity of an informer confidential as  
7 provided for in Section 2510 of Title 12 of the  
8 Oklahoma Statutes,

9 (11) include personal information other than the name  
10 or license plate number of a person not  
11 officially arrested, cited, charged or issued a  
12 written warning. Such personal information  
13 shall include any government-issued  
14 identification number, date of birth, address or  
15 financial information,

16 (12) include information that would materially  
17 compromise an ongoing criminal investigation or  
18 ongoing criminal prosecution, provided that:

19 (a) ten (10) days following the formal  
20 arraignment or initial appearance,  
21 whichever occurs first, of a person charged  
22 in the case in question, the recording  
23 shall be made available for public  
24 inspection and copying with no redaction of  
25 the portions that were temporarily withheld  
26 by reliance on this division. Provided,

1 before potential release of a recording as  
2 provided for in this subdivision, the  
3 prosecutor or legal representative of the  
4 person charged may request from the  
5 appropriate district court an extension of  
6 time during which the recording may be  
7 withheld under the provisions of this  
8 division. When a request for an extension  
9 of time has been filed with the court, the  
10 recording in question may be withheld until  
11 the court has issued a ruling. Such  
12 requests for an extension of the time  
13 during which the recording may be withheld  
14 may be made on the grounds that release of  
15 the recording will materially compromise an  
16 ongoing criminal investigation or criminal  
17 prosecution or on the grounds that release  
18 of the recording will materially compromise  
19 the right of an accused to a fair trial  
20 that has yet to begin. Courts considering  
21 such requests shall conduct a hearing and  
22 consider whether the interests of the  
23 public outweigh the interests asserted by  
24 the parties. In response to such requests,  
25 the court shall order that the recording be  
26 made available for public inspection and

1 copying with no redaction of the portions  
2 that were temporarily withheld by reliance  
3 on this division or order an extension of  
4 time during which the recording may be  
5 withheld under the provisions of this  
6 division. Provided further, each such time  
7 extension shall only be ordered by the  
8 court for an additional six-month period of  
9 time or less and cumulative time extensions  
10 shall not add up to more than eighteen (18)  
11 months, or

12 (b) in the event that one hundred twenty (120)  
13 days expire from the date of the events  
14 depicted in the recording without any  
15 person being criminally charged in the case  
16 in question and release of a recording or  
17 portions of a recording have been denied on  
18 the grounds provided for in this division,  
19 an appeal of such denial may be made to the  
20 appropriate district court. In situations  
21 where one hundred twenty (120) days have  
22 expired since the creation of the  
23 recording, criminal charges have not been  
24 filed against a person and the recording is  
25 being withheld on the grounds provided for  
26 in this division, courts considering

1 appeals to the use of the provisions of  
2 this division for temporarily withholding a  
3 recording shall conduct a hearing and  
4 consider whether the interests of the  
5 public outweigh the interests of the  
6 parties protected by this division. In  
7 response to such appeals, the district  
8 court shall order that the recording be  
9 made available for public inspection and  
10 copying with no redaction of the portions  
11 that were temporarily withheld by reliance  
12 on this division or order an extension of  
13 time during which the recording may be  
14 withheld under the provisions of this  
15 division. An order granting an extension  
16 of time shall be applicable to the  
17 recording against all appellants for the  
18 duration of the extension. Provided, each  
19 such time extension shall only be ordered  
20 by the district court for an additional  
21 twelve-month period of time or less and  
22 cumulative time extensions shall not add up  
23 to more than three (3) years. Provided,  
24 charges being filed against a person in the  
25 case in question automatically cancels any  
26 extension of time. A new request for an

1 extension of time following an arraignment  
2 or initial appearance may be requested by  
3 the parties on the grounds and under the  
4 terms provided for in subdivision (a) of  
5 this division.

6 The options presented in this division to  
7 potentially withhold a recording or portions of  
8 a recording on the grounds provided for in this  
9 division shall expire in totality four (4) years  
10 after the recording was made at which time all  
11 recordings previously withheld on the grounds  
12 provided for in this division shall be made  
13 available for public inspection and copying, or  
14 (13) reveal the identity of law enforcement officers  
15 who have become subject to internal  
16 investigation by the law enforcement agency as a  
17 result of an event depicted in the recording.

18 The option to protect the identity of a law  
19 enforcement officer shall not be available to  
20 the law enforcement agency after the law  
21 enforcement agency has concluded the  
22 investigation and rendered a decision as to  
23 final disciplinary action. At such time when an  
24 investigation has concluded and the law  
25 enforcement agency has rendered its decision as  
26 to final disciplinary action, the portions of

1 the recordings previously withheld as provided  
2 for in this division shall be available for  
3 public inspection and copying. The audio and  
4 video recordings withheld on the grounds  
5 provided for in this division shall be available  
6 for public inspection and copying before the  
7 conclusion of the investigation if the  
8 investigation lasts for an unreasonable amount  
9 of time.

10 B. Except for the records listed in subsection A of this  
11 section and those made open by other state or local laws, law  
12 enforcement agencies may deny access to law enforcement records  
13 except where a court finds that the public interest or the interest  
14 of an individual outweighs the reason for denial. The provisions  
15 of this section shall not operate to deny access to law enforcement  
16 records if such records have been previously made available to the  
17 public as provided in the Oklahoma Open Records Act or as otherwise  
18 provided by law.

19 C. Nothing contained in this section imposes any new  
20 recordkeeping requirements. Law enforcement records shall be kept  
21 for as long as is now or may hereafter be specified by law. Absent  
22 a legal requirement for the keeping of a law enforcement record for  
23 a specific time period, law enforcement agencies shall maintain  
24 their records for so long as needed for administrative purposes.

25 D. Registration files maintained by the Department of  
26 Corrections pursuant to the provisions of the Sex Offenders

1 Registration Act shall be made available for public inspection in a  
2 manner to be determined by the Department.

3 E. The Council on Law Enforcement Education and Training  
4 (C.L.E.E.T.) shall keep confidential all records it maintains  
5 pursuant to Section 3311 of Title 70 of the Oklahoma Statutes and  
6 deny release of records relating to any employed or certified full-  
7 time officer, reserve officer, retired officer or other person;  
8 teacher lesson plans, tests and other teaching materials; and  
9 personal communications concerning individual students except under  
10 the following circumstances:

11 1. To verify the current certification status of any peace  
12 officer;

13 2. As may be required to perform the duties imposed by Section  
14 3311 of Title 70 of the Oklahoma Statutes;

15 3. To provide to any peace officer copies of the records of  
16 that peace officer upon submitting a written request;

17 4. To provide, upon written request, to any law enforcement  
18 agency conducting an official investigation, copies of the records  
19 of any peace officer who is the subject of such investigation;

20 5. To provide final orders of administrative proceedings where  
21 an adverse action was taken against a peace officer; and

22 6. Pursuant to an order of the district court of the State of  
23 Oklahoma.

24 F. The Department of Public Safety shall keep confidential:

25 1. All records it maintains pursuant to its authority under  
26 Title 47 of the Oklahoma Statutes relating to the Oklahoma Highway

1 Patrol Division, the Communications Division, and other divisions  
2 of the Department relating to:

- 3 a. training, lesson plans, teaching materials, tests,  
4 and test results,
- 5 b. policies, procedures, and operations, any of which  
6 are of a tactical nature, and
- 7 c. the following information from radio logs:
  - 8 (1) telephone numbers,
  - 9 (2) addresses other than the location of incidents  
10 to which officers are dispatched, and
  - 11 (3) personal information which is contrary to the  
12 provisions of the Driver's Privacy Protection  
13 Act, 18 United States Code, Sections 2721  
14 through 2725; and

15 2. For the purpose of preventing identity theft and invasion  
16 of law enforcement computer systems, except as provided in Title 47  
17 of the Oklahoma Statutes, all driving records.
