(Date)

Mr./Madame President:

I move to amend Senate Bill No. 609, Page 4, Line 20, as follows:

By inserting a new subsection E as follows:

"E. The Office of the State Treasurer shall screen the parent or legal guardian of the qualified student and the qualified student to determine if they are engaged in the illegal use of a controlled substance or substances. If the Office of the State Treasurer has made a determination that the parent or legal guardian of the qualified student or the qualified student is engaged in the illegal use of a controlled substance or substances, the application for an education empowerment scholarship savings card shall be denied. The Office of the State Treasurer shall promulgate rules to implement the provisions of this subsection consistent with the following:

- a. the Office of the State Treasurer shall create a controlled substance screening instrument to be administered at the time of application. The process shall, at a minimum, include a Substance Abuse Subtle Screening Inventory (SASSI) or other similar screening methods. If necessary to establish a reasonable expectation of certainty, the Office of the State Treasurer shall be authorized to use further screening methods, which may include, but are not limited to, a clinical interview and an Addictions Severity Index (ASI). If the Office of the State Treasurer has reasonable cause to believe that the parent or legal guardian of the qualified student or the qualified student is engaged in the illegal use of a controlled substance or substances, the Office of the State Treasurer is authorized, though not required, to request administration of a chemical drug test, such as urinalysis. The cost of all such initial screenings shall not be borne by the parent or legal guardian of the qualified student or the qualified student,
- b. if at any time during the controlled substance screening process, the parent or legal guardian of the qualified student or the qualified student refuses to participate, that refusal shall lead to a denial of the application for an education empowerment scholarship savings card,
- c. if the Office of the State Treasurer, as the result of a controlled substance screening process, has determined that the parent or legal guardian of the qualified student or the qualified student is engaged in the illegal use of a controlled substance or substances, the application for an education empowerment scholarship savings card shall be denied, subject to the following:
