

STATE OF OKLAHOMA
First Session of Fifty-Fifth Oklahoma Legislature (2015)

Mr. President,

I move to amend Senate Bill 609, Page 5, Line 3, by inserting after the word "basis." and before the first instance of the word "The" the following:

"As a condition to receive funding through an Educational Empowerment Scholarship and Savings Account and prior to an order to renew the qualified student's account, the renewal request shall also include documentation showing the results of the student on either the same tests mandated under Section 1210.508 of this title or a nationally standardized norm-referenced achievement test approved by the State Department of Education taken during that school year."
