11 An Act relating to the Administrative Procedures Act;
12 amending 75 O.S. 2011, Sections 251 and 303.1, which
13 relate to administrative rules; requiring rules filed
14 with Secretary of State, Governor, President Pro
15 Tempore of the Senate and Speaker of the House of
16 Representatives to include statement of the gist of
17 the rule; and providing an effective date.

18 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

19 SECTION 1. AMENDATORY 75 O.S. 2011, Section 251, is
20 amended to read as follows:

21 Section 251. A. 1. Upon the request of the Secretary, each
22 agency shall furnish to the Office a complete set of its permanent
23 rules in such form as is required by the Secretary or as otherwise
24 provided by law.

1 2. The Secretary shall promulgate rules to ensure the effective
2 administration of the provisions of Article I of the Administrative
3 Procedures Act. The rules shall include, but are not limited to,
4 rules prescribing paper size, numbering system, and the format of
5 documents required to be filed pursuant to the provisions of the
6 Administrative Procedures Act or such other requirements as deemed
7 necessary by the Secretary to implement the provisions of the
8 Administrative Procedures Act.

9 B. 1. Each agency shall file the number of copies specified by
10 the Secretary of all new rules, and all amendments, revisions or
11 revocations of existing rules attested to by the agency, pursuant to
12 the provisions of Section 254 of this title, with the Office within
13 thirty (30) calendar days after they become finally adopted.

14 2. An agency filing rules pursuant to the provisions of this
15 subsection:

- 16 a. shall prepare the rules in plain language which can be
17 easily understood,
- 18 b. shall not unnecessarily repeat statutory language.
19 Whenever it is necessary to refer to statutory
20 language in order to effectively convey the meaning of
21 a rule interpreting that language, the reference shall
22 clearly indicate the portion of the language which is
23 statutory and the portion which is the agency's
24 amplification or interpretation of that language,

- 1 c. shall indicate whether a rule is new, amends an
2 existing permanent rule or repeals an existing
3 permanent rule. If a rule amends an existing rule,
4 the rule shall indicate the language to be deleted
5 typed with a line through the language and language to
6 be inserted typed with the new language underscored,
- 7 d. shall state if the rule supersedes an existing
8 emergency rule,
- 9 e. shall include a reference to any rule requiring a new
10 or revised form in a note to the rule. The Secretary
11 shall insert that reference in "The Oklahoma Register"
12 as a notation to the affected rule,
- 13 f. shall prepare, in plain language, a statement of the
14 gist of the rule and an analysis of new or amended
15 rules. The analysis shall include but not be limited
16 to a reference to any statute that the rule
17 interprets, any related statute or any related rule,
- 18 g. may include with its rules, brief notes,
19 illustrations, findings of facts, and references to
20 digests of Supreme Court cases, other court decisions,
21 or Attorney General's opinions, and other explanatory
22 material. Such material may be included if the
23 material is labeled or set forth in a manner which
24 clearly distinguishes it from the rules,

- 1 h. shall include other information, in such form and in
2 such manner as is required by the Secretary, and
3 i. may change the format of existing rules without any
4 rulemaking action by the agency in order to comply
5 with the standard provisions established by the
6 Secretary for "Code" and "The Oklahoma Register"
7 publication so long as there is no substantive change
8 to the rule.

9 C. The Secretary is authorized to determine a numbering system
10 and other standardized format for documents to be filed and may
11 refuse to accept for publication any document that does not
12 substantially conform to the promulgated rules of the Secretary.

13 D. In order to avoid unnecessary expense, an agency may use the
14 published standards established by organizations and technical
15 societies of recognized national standing, other state agencies, or
16 federal agencies by incorporating the standards or rules in its
17 rules or regulations by reference to the specific issue or issues of
18 publications in which the standards are published, without
19 reproducing the standards in full. The standards shall be readily
20 available to the public for examination at the administrative
21 offices of the agency. In addition, a copy of such standards shall
22 be kept and maintained by the agency pursuant to the provisions of
23 the Preservation of Essential Records Act.

1 E. The Secretary shall provide for the publication of all
2 Executive Orders received pursuant to the provisions of Section 664
3 of Title 74 of the Oklahoma Statutes.

4 F. The Secretary may authorize or require the filing of rules
5 or Executive Orders by or through electronic data or machine
6 readable equipment in such form and manner as is required by the
7 Secretary.

8 SECTION 2. AMENDATORY 75 O.S. 2011, Section 303.1, is
9 amended to read as follows:

10 Section 303.1 A. Within ten (10) days after adoption of a
11 permanent rule, the agency shall file two copies of the following
12 with the Governor, the Speaker of the House of Representatives and
13 the President Pro Tempore of the Senate: all such new rules or
14 amendments; revisions or revocations to an existing rule proposed by
15 an agency; and the agency rule report as required by subsection E of
16 this section.

17 B. If the agency determines in the rule impact statement
18 prepared as part of the agency rule report that the proposed rule
19 will have an economic impact on any political subdivisions or
20 require their cooperation in implementing or enforcing a proposed
21 permanent rule, a copy of the proposed rule and rule report shall be
22 filed within ten (10) days after adoption of the permanent rule with
23 the Oklahoma Advisory Committee on Intergovernmental Relations for
24 its review. Said Committee may communicate any recommendations that

1 it may deem necessary to the Governor, the Speaker of the House of
2 Representatives and President Pro Tempore of the Senate during the
3 period that the permanent rules are being reviewed.

4 C. When the rules have been submitted to the Governor, the
5 Speaker of the House of Representatives and the President Pro
6 Tempore of the Senate, the agency shall also submit to the Office of
7 Administrative Rules for publication in "The Oklahoma Register", a
8 statement that the adopted rules have been submitted to the Governor
9 and the Legislature.

10 D. The text of the adopted rules shall be submitted to the
11 Governor, the Speaker of the House of Representatives and the

13 by the Secretary pursuant to Section 251 of this title.

14 E. The report required by subsection A of this section shall

2 the content of the adopted rule;

3 7. A statement explaining the need for the adopted rule;

4 8. The date and location of the meeting, if held, at which such
5 rules were adopted or the date and location when the rules were
6 adopted if the rulemaking agency is not required to hold a meeting
7 to adopt rules;

8 9. A summary of the comments and explanation of changes or lack
9 of any change made in the adopted rules as a result of testimony
10 received at all hearings or meetings held or sponsored by an agency
11 for the purpose of providing the public an opportunity to comment on
12 the rules or of any written comments received prior to the adoption
13 of the rule. The summary shall include all comments received about
14 the cost impact of the proposed rules;

15 10. A list of persons or organizations who appeared or
