

BILL SUMMARY
1st Session of the 55th Legislature

Bill No.:	HB1076
Version:	INT
Request Number:	5297
Author:	Rep. Morrisette
Date:	2/6/2015
Impact:	None to state.

Research Analysis

HB 1076 directs the Department of Corrections to pursue rehabilitation opportunities through the implementation of the “Oklahoma Cedar Control Project”. Selected inmates are to be used to harvest Eastern Red Cedar and other cedar species deemed as invasive on public and private land. Creates the “Hope for Tomorrow Revolving Fund” to consist of monies donated to the Department. Provides that costs for services performed on private lands are to be reimbursed to the Department.

Fiscal Analysis

According to officials at the Department of Corrections, “the town or city that would utilize the offender labor would be responsible for training and would pay us for the offender’s time.”

Prepared By: Joshua Maxey

Other Considerations

None.
