

BILL SUMMARY
1st Session of the 55th Legislature

Bill No.:	HB1515
Version:	INT
Request Number:	6574
Author:	Rep. Cooksey
Date:	2/13/2015
Impact:	OMES: \$0

Research Analysis

HB 1515, as introduced, prohibits health benefit plans from subjecting proton radiation therapy to a higher standard of evidence than other radiation therapy, when making coverage decisions.

Prepared By: Sean Webster

Fiscal Analysis

According to OMES, HB 1515 has no fiscal or revenue considerations to the state, as HealthChoice plans already provide coverage.

Prepared By: Kristina King

Other Considerations

None.
