

BILL SUMMARY
1st Session of the 55th Legislature

Bill No.:	HB 1664
Version:	Committee Substitute
Request Number:	6897
Author:	Rep. Dank
Date:	2/20/2015
Impact:	Potential Impact to the Ethics Commission

Research Analysis

Please see previous summary of this measure.

Prepared By: Marcia Goff

Fiscal Analysis

According to the Ethics Commission, provisions of the measure could increase the number of electronic and/or manual filings made to the agency, which could result in additional software programming costs and personnel costs. The agency is unable to obtain a quote from its software vendor at this time, as the additional volume of filings is not quantifiable.
