

BILL SUMMARY
2nd Session of the 55th Legislature

Bill No.:	HB 2835
Version:	Int
Request Number:	
Author:	Rep. Echols
Date:	2/8/2016
Impact:	\$0

Research Analysis

HB 2835 removes the age restriction on the use of cannabidiol to allow a person of any age who is participating in a clinical trial for the treatment of severe forms of epilepsy or who have received a written certification from a physician that the person has been diagnosed with certain conditions not adequately treated by traditional medical therapies. The measure includes Alzheimer's disease, dementia or post-traumatic stress disorder as conditions which may use this treatment option.

Prepared By: Brad Wolgamott

Fiscal Analysis

Upon review of HB 2835, it has been determined to have no measureable revenue of fiscal considerations.

Prepared By: Stacy Johnson

Other Considerations

None.
