Fiscal Analysis

The PCS of HB 2929, with confirmation from the Dept. of Labor, has no fiscal impact considerations at this time. The bill increases the minimum fine amount for infractions from \$25.00 to \$50.00 and the maximum from \$100.00 to \$200.00.

According to the Dept. of Labor, historically, there have never been any instances of Labor enforcing this statute, and therefore, there has never been any revenue collected from the fine.
