Fiscal Analysis

FA4 for HB 2949 deletes language that education savings accounts shall be established for individual students beginning with the 2017-2017 school year and inserts language including that the implementation of the Oklahoma Education Savings Account Act shall be delayed until the current expenditure per pupil in average daily attendance in public elementary and secondary school in unadjusted dollars for the 2016-2017 school year or any school year thereafter for Oklahoma, as reported by the National Center for Education Statistics annually reaches at least 110% of the regional average expenditure for that same year and funds are provided.
