

CONFERENCE COMMITTEE REPORT SUMMARY

Measure HB 1465

Principal Authors: Representative Echols
Senator Dahm

General Subject Matter: Driver Licenses

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

None

√ Changes made in conference:

Added language requiring personally identifiable information obtained during the application process for a REAL ID Noncompliant Driver License or Identification Card to be stored in a separate and siloed database from REAL ID Compliant information.

Added language requiring the Department of Public Safety to offer a biometric data waiver to Noncompliant applicants and prohibiting applicants with felony convictions from seeking a waiver.

Added language requiring that the Department of Public Safety issue a REAL ID Noncompliant License or ID Card without a photo to an otherwise qualified applicant who requests an exemption from the photo for religious reasons and prohibiting the sharing of personal information except as authorized by state or federal law and authorized agreements or contracts.

Added language providing that a child passenger being transported by a driver of a vehicle who has been issued a detachable placard indicating physical disability or a physically disabled license plate and valid letter of forward-facing exemption issued from the Department of Public Safety is permitted to transport a child under four (4) years of age in a forward-facing child passenger restraint system. The placard and forward-facing exemption letter must be present in the vehicle to be in compliance.
