9 Section 1361. A. 1. Except as otherwise provided by
10 subsection C of this section, the tax levied by Section 1350 et seq.
11 of this title shall be paid by the consumer or user to the vendor as
12 trustee for and on account of this state. Except as otherwise
13 provided by subsection C of this section, each and every vendor in
14 this state shall collect from the consumer or user the full amount
15 of the tax levied by Section 1350 et seq. of this title, or an
16 amount equal as nearly as possible or practicable to the average
17 equivalent thereof. Every person required to collect any tax
18 imposed by Section 1350 et seq. of this title shall be personally
19 liable for the tax.

20 2. However, the Oklahoma Tax Commission shall relieve sellers
21 or certified service providers that follow the requirements of this
22 section from the tax otherwise applicable if it is determined that
23 the purchaser improperly claimed an exemption and to hold the
24

1 purchaser liable for the nonpayment of tax. This relief from
2 liability does not apply to:

- 3 a. a seller or certified service provider (CSP) who
4 fraudulently fails to collect tax,
- 5 b. a seller who solicits purchasers to participate in the
6 unlawful claim of an exemption, or
- 7 c. a seller who accepts an exemption certificate when the
8 purchaser claims an entity-based exemption when:
 - 9 (1) the subject of the transaction sought to be
10 covered by the exemption certificate is actually
11 received by the purchaser at a location operated
12 by the seller, and
 - 13 (2) the Tax Commission provides an exemption
14 certificate that clearly and affirmatively
15 indicates that the claimed exemption is not
16 available in this state.

17 3. The Tax Commission shall relieve a seller or CSP of the tax
18 otherwise applicable if the seller obtains a fully completed
19 exemption certificate or captures the relevant data elements
20 required by the Tax Commission within ninety (90) days subsequent to
21 the date of sale.

22 If the seller or CSP has not obtained an exemption certificate
23 or all relevant data elements as provided by the Tax Commission, the
24 seller may, within one hundred twenty (120) days subsequent to a

1 request for substantiation, either prove that the transaction was
2 not subject to tax by other means or obtain a fully completed
3 exemption certificate from the purchaser, taken in good faith.

4 The Tax Commission shall relieve a seller or CSP of the tax
5 otherwise applicable if it obtains a blanket exemption certificate
6 for a purchaser with which the seller has a recurring business
7 relationship. The Tax Commission shall not request from the seller
8 or CSP renewal of blanket certificates or updates of exemption
9 certificate information or data elements when there is a recurring
10 business relationship between the buyer and seller. For purposes of
11 this section, a recurring business relationship exists when a period
12 of no more than twelve (12) months elapses between sales
13 transactions.

14 4. Upon the granting of relief from liability to the vendor as
15 provided in this section, the purchaser shall be liable for the
16 remittance of the tax, interest and penalty due thereon and the Tax

23 the sale of tangible personal property or services taxed by Section
24 1350 et seq. of this title, and when added such tax shall constitute

1 a part of such price or charge, shall be a debt from the consumer or
2 user to vendor until paid, and shall be recoverable at law in the
3 same manner as other debts.

4 C. A person who has obtained a direct payment permit as
5 provided in Section 1364.1 of this title shall accrue all taxes
6 imposed pursuant to Section 1354 or 1402 of this title on all
7 purchases made by the person pursuant to the permit at the time the
8 purchased items are first used or consumed in a taxable manner and
9 pay the accrued tax directly to the Oklahoma Tax Commission on
10 reports as required by Section 1365 of this title.

11 D. Except as otherwise provided by subsection C of this
12 section, a vendor who willfully or intentionally fails, neglects or
13 refuses to collect the full amount of the tax levied by Section 1350
14 et seq. of this title, or willfully or intentionally fails, neglects
15 or refuses to comply with the provisions of Section 1350 et seq. of
16 this title, or remits or rebates to a consumer or user, either
17 directly or indirectly, and by whatsoever means, all or any part of
18 the tax levied by Section 1350 et seq. of this title, or makes in
19 any form of advertising, verbally or otherwise, any statement which
20 implies that the vendor is absorbing the tax, or paying the tax for
21 the consumer or user by an adjustment of prices or at a price
22 including the tax, or in any manner whatsoever, shall be deemed
23 guilty of a misdemeanor, and upon conviction thereof shall be fined
24 not more than Five Hundred Dollars (\$500.00), and upon conviction

1 for a second or other subsequent offense shall be fined not more
2 than One Thousand Dollars (\$1,000.00), or incarcerated for not more
3 than sixty (60) days, or both. Provided, sales by vending machines
4 may be made at a stated price which includes state and any municipal
5 sales tax.

6 E. A consumer or user who willfully or intentionally fails,
7 neglects or refuses to pay the full amount of tax levied by Section
8 1350 et seq. of this title or willfully or intentionally uses a
9 sales tax permit or direct payment permit which is invalid, expired,
10 revoked, canceled or otherwise limited to a specific line of
11 business or willfully or intentionally issues a resale certificate
12 to a vendor to evade the tax levied by Section 1350 et seq. of this
13 title shall be subject to a penalty in the amount of Five Hundred
14 Dollars (\$500.00) per reporting period upon determination thereof,
15 which shall be apportioned as provided for the apportionment of the
16 tax.

17 F. Any sum or sums collected or accrued or required to be
18 collected or accrued in Section 1350 et seq. of this title shall be
19 deemed to be held in trust for the State of Oklahoma, and, as
20 trustee, the collecting vendor or holder of a direct payment permit
21 as provided for in Section 1364.1 of this title shall have a
22 fiduciary duty to the State of Oklahoma in regards to such sums and
23 shall be subject to the trust laws of this state.

24

1 G. Notwithstanding the provisions of this section, the sales
2 tax associated with the purchase of a motor vehicle shall be paid by
3 the consumer in the same manner and time as the motor vehicle excise
4 tax for said motor vehicle is due.

5 SECTION 4. AMENDATORY 68 O.S. 2011, Section 1402, is
6 amended to read as follows:

7 Section 1402. There is hereby levied and there shall be paid by
8 every person storing, using, or otherwise consuming within this
9 state, tangible personal property purchased or brought into this
10 state, an excise tax on the storage, use, or other consumption in
11 this state of such property at the rate of four and one-half percent
12 (4.5%) of the purchase price of such property. Said tax shall not
13 be levied on tangible personal property intended solely for use in
14 other states, but which is stored in Oklahoma pending shipment to
15 such other states or which is temporarily retained in Oklahoma for
16 the purpose of fabrication, repair, testing, alteration,
17 maintenance, or other service. The tax in such instances shall be
18 paid at the time of importation or storage of the property within
19 the state and a subsequent credit shall be taken by the taxpayer for
20 the amount so paid upon removal of the property from the state.
21 Such tax is hereby levied and shall be paid in an amount equal to
22 four and one-half percent (4.5%) of the purchase price of such
23 tangible personal property. Notwithstanding the provisions of this
24 section, the tax associated with a motor vehicle shall be paid by

19 already been subjected to a tax, by this or any other state, in
20 respect to its sale or use, in an amount less than the tax imposed
21 by Section 1401 et seq. of this title, the provisions of Section
22 1401 et seq. of this title shall apply to it by a rate measured by
23 the difference only between the rate herein provided and the rate by
24 which the previous tax upon the sale or use was computed. Provided,

1 that no credit shall be given for taxes paid in another state, if
2 that state does not grant like credit for taxes paid in Oklahoma;

3 4. In respect to the use of tangible personal property now
4 specifically exempted from taxation under Oklahoma Sales Tax Code.
5 Provided, for the sale of motor vehicles or any optional equipment
