24 under the System, and receive in-service distributions of such

1 member's accrued monthly retirement benefit from the System. The
2 provisions of this subsection shall not prohibit a member from
3 performing volunteer services as authorized by Section 49-106 of
4 this title.

5 D. When a member begins participation in the Oklahoma

12 of the member, or if there is no designated recipient or if the
13 designated recipient predeceases the member, to the spouse of the
14 member, or if there is no spouse or if the spouse predeceases the
15 member, to the estate of the member a lump-sum payment equal to the
16 account balance of the member. If such member was receiving, or

22 pursuant to subsection F of this section. The surviving spouse,
23 whether or not he or she is a designated recipient of the member,

3 member's contributions and one-half (1/2) of the
4 employer contributions from the back drop date to the
5 termination date, with interest based on how the
6 benefit would have accumulated on a compound annual
7 basis as if the member had participated in the
8 Oklahoma Firefighters Deferred Option Plan pursuant to
9 subsections A, B, C, D, E and F of this section from
10 the back drop date to the termination date; and

11 2. At the termination date, the monthly pension benefit shall

15 equal to the deferred benefit balance, the member shall terminate
16 employment with all participating municipalities as a firefighter,
