A. The Secretary of the State Election Board is hereby authorized to conduct a data validation of the state voter registration database with other state or federal databases that contain information regarding the citizenship status of a person.

1 The Secretary may utilize the Office of Management and Enterprise
2 Services to ensure the security of the data being validated. Any

11 registered to vote shall be reported to the district attorney in the
12 county in which the voter is registered. Upon being notified by the
13 Secretary of the State Election Board about persons who are
