15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. AMENDATORY 19 O.S. 2011, Section 863.9, is
17 amended to read as follows:

18 Section 863.9 From and after the adoption of a plan for major
19 streets or highways as a part of the master plan for the physical
20 development of the area and the adoption of the rules and
21 regulations hereinafter in this section provided for, no plat of a
22 subdivision of land within the area shall be received for record in
23 the office of the county clerk until it shall have been approved by

5 transfer referring to such unapproved plat shall be valid, and if
6 recorded, shall not import notice.

7 The approval of the Commission or the Commission's staff as
8 provided in the regulations required by this section or the refusal
9 to approve shall take place within thirty (30) days from and after
10 the submission of the plat for final approval; otherwise said plat
11 shall be deemed to have been approved and the certificate of said
12 Commission as to the date of the submission of the plat for approval
13 and as to the failure to take action thereon within such time shall
14 be sufficient in lieu of the written endorsement or evidence of
15 approval herein required. The ground of refusal of any plat
16 submitted, including citation to or reference to the rules or
17 regulations violated by the plat shall be stated upon the record of
18 the Commission.

19 If the governing body of any city or town in the county protests

21 of the limits of the incorporated area of such city or town, the
22 plat shall be approved by not less than a two-thirds (2/3) favorable
23 vote of the entire membership of the Commission with the reasons
24 therefor spread upon its minutes.

1 Such Commission shall adopt rules and regulations of uniform
2 application governing plats and subdivisions of land falling within
3 its jurisdiction. Such regulations shall be designed to secure and
4 provide for the proper arrangement of streets or other highways in
5 relation to the existing or planned streets or highways or to the
6 master plan or plans of the area; for adequate and convenient open
7 spaces for traffic, utilities, access of fire-fighting apparatus,
8 parking lots, parks, playgrounds, light and air; and for the

22 protect and carry out such regulations and make them effective and
23 to charge fees for services rendered and benefits involved as
24 hereinafter provided or as may be provided by the respective

1 governing bodies. Such rules and regulations shall provide for the
2 modification thereof by the Commission in specific cases where
3 unusual topographical or other exceptional conditions may require
4 the same. Said regulations shall provide for a tentative approval
5 of the plat previous to the installation or assurance of such
6 improvements and facilities, provided that any such tentative
7 approval shall be revocable and shall not be entered on the plat.
8 Such regulations may provide that in lieu of the completion of the
9 construction of the required improvements and facilities prior to
10 the final approval of the plat, the Commission may accept bond in an
11 amount and with surety and conditions satisfactory to them,
12 providing for and securing to the Council and Board the actual
13 construction of such improvement and facilities within a period
14 specified by the Commission, and the Council and Board are hereby
15 granted the power to enforce such bond by legal and equitable
16 remedies. Such rules and regulations shall be adopted, changed, or
17 amended only after a public hearing has been held thereon by the
18 Commission. Such hearing may be adjourned from time to time. The
19 adoption of the rules and regulations or amendments thereto, as
20 above provided, shall be by resolution carried by not less than a
21 majority of the full membership of the Commission. Upon adoption by
