7 An Act relating to the Oklahoma Licensed  
8 Perfusionists Act; amending 59 O.S. 2011, Section  
9 2059, which relates to licensure requirements;  
10 permitting State Board of Examiners of Perfusionists  
11 to screen certain documents through certain methods;  
and providing an effective date.

12 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

13 SECTION 1. AMENDATORY 59 O.S. 2011, Section 2059, is  
14 amended to read as follows:

15 Section 2059. A. Except as otherwise provided in the Oklahoma  
16 Licensed Perfusionists Act, on and after January 1, 1997, no person  
17 shall practice perfusion in this state unless licensed pursuant to  
18 the provisions of the Oklahoma Licensed Perfusionists Act.

19 B. No person shall be licensed to practice perfusion in this  
20 state except upon a finding by the State Board of Examiners of  
21 Perfusionists that such person:

22 1. Has fully complied with all applicable licensure  
23 requirements of the Oklahoma Licensed Perfusionists Act;

24 2. Is of good moral character; and

1        3. Has produced satisfactory evidence to the Board of the  
2 ability of the applicant to practice perfusion with reasonable skill  
3 and safety.

4        C. An applicant for a perfusionist license must submit a sworn  
5 application accompanied by an application fee specified in Section  
6 2071 of this title in an amount set by rule of the Board.

7        D. The Board shall prescribe the form of the application and by  
8 rule may establish dates by which applications and fees must be  
9 received. These rules must not be inconsistent with present rules  
10 of the State Board of Medical Licensure and Supervision related to  
11 application dates of other licenses. The Board may review and  
12 verify medical credentials and screen applicant records through  
13 recognized national information services.

14        E. To qualify for the examination for licensure, the applicant  
15 must have successfully completed a perfusion education program  
16 approved by the Board.

17        F. In approving perfusion education programs necessary for  
18 qualification for examination, the Board shall approve only a  
19 program that has educational standards that are at least as  
20 stringent as those established by the Accreditation Committee for  
21 Perfusion Education and approved by the Committee on Allied Health  
22 Education and Accreditation of the American Medical Association or  
23 their successors.

1 G. Not later than the forty-fifth day after the date of receipt  
2 of a properly submitted and timely application and not later than  
3 the thirtieth day before the next examination date, the Board shall  
4 notify an applicant in writing that the applicant's application and  
5 any other relevant evidence pertaining to applicant qualifications  
6 established by the Board by rule have been received and  
7 investigated. The notice shall state whether the application and  
8 other evidence submitted have qualified the applicant for  
9 examination. If the applicant has not qualified for examination,  
10 the notice shall state the reasons for lack of qualification.

11 SECTION 2. This act shall become effective November 1, 2017.

12 Passed the Senate the 13th day of March, 2017.
