9 improvements located thereon, and personal property, to construct
10 buildings and other improvements to real property and to acquire
11 property for office space and to provide funding for the
12 construction of a new State Health Laboratory for the State
13 Department of Health with debt retirement payments to be made as
14 provided in this section.

15 B. The Authority may hold title to the real and personal
16 property and improvements until such time as any obligations issued
17 for this purpose are retired or defeased and may lease the real
18 property and improvements to the State Department of Health. Upon
19 final redemption or defeasance of the obligations created pursuant
20 to this section, title to the real and personal property and

8 Authority is authorized to capitalize interest on the obligations
9 issued pursuant to this section for a period of time not to exceed

16 borrowing authorized by subsection C of this section, the Authority
17 shall provide for the payment of professional fees and associated
18 costs related to the project authorized in subsection A of this
19 section.
