2 amended by Section 1, Chapter 146, O.S.L. 2015 (47 O.S. Supp. 2016,
3 Section 7-602), is amended to read as follows:

4 Section 7-602. A. 1. The owner of a motor vehicle registered
5 in this state shall carry in the vehicle at all times a current
6 owner's security verification form listing the vehicle or an
7 equivalent form which has been issued by the Department of Public
8 Safety, and the operator of the vehicle shall produce the form upon
9 request for inspection by any law enforcement officer or
10 representative of the Department and, in case of an accident, the
11 form shall be shown upon request to any person affected by the
12 accident.

13 2. a. Every person registering a motor vehicle in this
14 state, except a motor vehicle which is not being used
15 upon the public highways or public streets, or a
16 manufactured home while on a permanent foundation, at
17 the time of registration of the vehicle, shall certify
18 the existence of security with respect to the vehicle
19 by providing to a motor license agent or other
20 registering agency necessary information from the
21 current owner's security verification in a manner that
22 allows verification of coverage through the online
23 verification system. The information shall include
24 the name or number issued by the National Association

1 of Insurance Commissioners of the current insurance
2 carrier authorized to do business in this state and
3 the policy number applicable to the vehicle being
4 registered. A motor license agent or other
5 registering agency shall require the submission of the
6 form or other verifying information prior to
7 processing an application for registration or renewal.

- 8 b. Every motor license agent or other registering agency
9 shall use the online verification system to certify
10 the existence of security with respect to the vehicle
11 from an insurance carrier authorized to do business in
12 this state unless the online verification system is
13 not online or the required information is otherwise

15 other registering agency may accept verification as
16 provided in subparagraph a of this paragraph or from a
17 licensed insurance producer or customer service
18 representative to certify the existence of the
19 required insurance prior to processing any application
20 for motor vehicle registration. Every motor license
21 agent or other registering agent shall allow
22 submission of proof from a licensed insurance producer
23 or customer service representative pursuant to this
24

1 subparagraph via electronic mail at no additional cost
2 to the person registering the vehicle.

3 3. Fleet vehicles operating under the authority of the
4 Corporation Commission, the Federal Highway Administration, or
5 vehicles registered pursuant to the provisions of Section 1120 of

17 and timely fashion, the Corporation Commission may
18 accept a current single state registration form issued
19 by the Corporation Commission or any other regulating
20 entity with which the Corporation Commission has
21 entered into a reciprocal compact or agreement
22 regarding the regulation of motor vehicles engaged in
23 interstate or foreign commerce upon and over the
24 public highways.

1 4. The following shall not be required to carry an owner's or
2 operator's security verification form or an equivalent form from the
3 Department of Public Safety during operation of the vehicle and

5 vehicle registration purposes:

6 a. any vehicle owned or leased by the federal or state
7 government, or any agency or political subdivision
8 thereof,

18 d. any licensed taxicab, and

19 e. any vehicle owned by a licensed used motor vehicle
20 dealer.

21 5. Any person who knowingly issues or promulgates false or

10 provisions of the Compulsory Insurance Law. The fee may be retained
11 by the agent as compensation for services in processing the proof of
12 financial responsibility and for processing the driver license
13 information, insurance verification information, and other
14 additional information furnished to the agent pursuant to Section
