1 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

2 SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-2-105, as
3 last amended by Section 2, Chapter 130, O.S.L. 2016 (10A O.S. Supp.
4 2016, Section 1-2-105), is amended to read as follows:

5 Section 1-2-105. A. 1. Any county office of the Department of
6 Human Services receiving a child abuse or neglect report shall
7 promptly respond to the report by initiating an investigation of the
8 report or an assessment of the family in accordance with priority
9 guidelines established by the Department. The Department may
10 prioritize reports of alleged child abuse or neglect based on the
11 severity and immediacy of the alleged harm to the child. The
12 Department shall adopt a priority system pursuant to rules
13 promulgated by the Department. The primary purpose of the
14 investigation or assessment shall be the protection of the child.
15 For investigations or assessments, the Department shall give special
16 consideration to the risks of any minor, including a child with a
17 disability, who is unable to communicate effectively about abuse,
18 neglect or other safety threat or who is in a vulnerable position
19 due to the inability to communicate effectively.

20 2. If an investigation or assessment conducted by the
21 Department in response to any report of child abuse or neglect shows
22 that the incident reported was the result of the reasonable exercise
23 of parental discipline involving the use of ordinary force,
24 including, but not limited to, spanking, switching, or paddling, the

1 investigation or assessment will proceed no further and all records
2 regarding the incident shall be expunged.

3 B. 1. The investigation or assessment shall include a visit to
4 the home of the child, unless there is reason to believe that there
5 is an extreme safety risk to the child or worker or it appears that
6 the referral has been made in bad faith. The visit shall include an
7 interview with and examination of the subject child and may be
8 conducted at any reasonable time and at any place including, but not
9 limited to, the child's school. The Department shall notify the
10 person responsible for the health, safety, and welfare of the child
11 that the child has been interviewed at a school. The investigation
12 or assessment may include an interview with the parents of the child
13 or any other person responsible for the health, safety, or welfare
14 of the child and an interview with and examination of any child in
15 the home.

16 2. The investigation or assessment may include a medical,
17 psychological, or psychiatric examination of any child in the home.
18 If admission to the home, school, or any place where the child may
19 be located cannot be obtained, then the district court having
20 jurisdiction, upon application by the district attorney and upon
21 cause shown, shall order the person responsible for the health,
22 safety, or welfare of the child, or the person in charge of any
23 place where the child may be located, to allow entrance for the
24 interview, the examination, and the investigation or assessment. If

1 the person responsible for the health, safety, or welfare of the
2 child does not consent to a medical, psychological, or psychiatric
3 examination of the child that is requested by the Department, the
4 district court having jurisdiction, upon application by the district
5 attorney and upon cause shown, shall order the examination to be
6 made at the times and places designated by the court.

7 3. The investigation or assessment may include an inquiry into
8 the possibility that the child or a person responsible for the
9 health, safety, or welfare of the child has a history of mental
10 illness. If the person responsible for the child's health, safety,
11 or welfare does not allow the Department to have access to
12 behavioral health records or treatment plans requested by the
13 Department, which may be relevant to the alleged abuse or neglect,
14 the district court having jurisdiction, upon application by the
15 district attorney and upon good cause shown, shall by order allow
16 the Department to have access to the records pursuant to terms and
17 conditions prescribed by the court.

18 4. a. If the court determines that the subject of the
19 behavioral health records is indigent, the court shall
20 appoint an attorney to represent that person at the
21 hearing to obtain behavioral health records.

22 b. A person responsible for the health, safety, or
23 welfare of the child is entitled to notice and a
24 hearing when the Department seeks a court order to

1 allow a psychological or psychiatric examination or
2 access to behavioral health records.

3 c. Access to behavioral health records does not
4 constitute a waiver of confidentiality.

5 5. The investigation of a report of sexual abuse or serious
6 physical abuse or both sexual abuse and serious physical abuse shall
7 be conducted, when appropriate and possible, using a
8 multidisciplinary team approach as provided by Section 1-9-102 of
9 this title. Law enforcement and the Department shall exchange
10 investigation information.

11 6. The investigation or assessment shall include an inquiry
12 into whether the person responsible for the health, safety or
13 welfare of the child is an active duty service member of the
14 military or the spouse of an active duty service member. The
15 Department shall collect and report information related to the
16 military affiliation of the person or spouse responsible for the
17 health, safety or welfare of the child to the designated federal
18 authorities at the federal military installation where the service
19 member is assigned as provided by paragraph 4 of subsection A of
20 Section 1-2-102 of this title.

21 C. 1. Every physician, surgeon, or other health care provider
22 making a report of abuse or neglect as required by this section or
23 examining a child to determine the likelihood of abuse or neglect
24 and every hospital or related institution in which the child was

1 examined or treated shall provide copies of the results of the
2 examination or copies of the examination on which the report was
3 based and any other clinical notes, x-rays, photographs, and other
4 previous or current records relevant to the case to law enforcement
5 officers conducting a criminal investigation into the case and to
6 employees of the Department conducting an assessment or
7 investigation of alleged abuse or neglect in the case.

8 2. As necessary in the course of conducting an assessment or
9 investigation, the Department may request and obtain, without a
10 court order, copies of all prior medical records of a child
11 including, but not limited to, hospital records, medical, and dental
12 records. The physician-patient privilege shall not constitute
13 grounds for failure to produce such records.

14 D. 1. The Department may engage in a collaborative decision-
15 making process to address each child's needs related to safety and
16 whether the child's condition warrants a safety intervention,
17 including but not limited to a change in placement, and:

- 18 a. those involved in the collaborative decision-making
19 process shall include, at a minimum, appropriate
20 Department staff, the parents of the child and, if the
21 parent requests, an advocate or representative,
22 b. the Department may limit participants to those
23 determined to be in the best interest of the child and
24 the decision-making process, and

1 c. the Department shall make reasonable efforts to
2 provide a trained facilitator to guide the decision-
3 making process.

4 2. If, before the assessment or investigation is complete, the
5 Department determines that immediate removal of the child is
6 necessary to protect the child from further abuse or neglect, the
7 Department shall recommend that the child be taken into custody and,
8 if feasible, utilize the decision-making process provided by
9 subsection D of this section prior to the emergency custody hearing.

10 E. The Department shall make a complete written report of the
11 investigation. The investigation report, together with its
12 recommendations, shall be submitted to the appropriate district
13 attorney's office. Reports of assessment recommendations shall be
14 submitted to appropriate district attorneys.

15 F. The Department, where appropriate and in its discretion,
16 shall identify prevention- and intervention-related services
17 available in the community and refer the family to or arrange for
18 such services when an investigation or assessment indicates the
19 family would benefit from such services, or the Department may
20 provide such services directly. The Department shall document in
21 the record its attempts to provide, refer or arrange for the
22 provision of voluntary services and shall determine within sixty
23 (60) days whether the family has accessed those services directly
24 related to safety of the child. If the family refuses voluntary

1 services or does not access those services directly related to
2 safety of the child, and it is determined by the Department that the
3 child's surroundings endanger the health, safety, or welfare of the
4 child, the Department may recommend that the child be placed in
5 protective or emergency custody or that a petition be filed.

6 G. If the Department has reason to believe that a person
7 responsible for the health, safety, and welfare of the child may
8 remove the child from the state before the investigation is
9 completed, the Department may request the district attorney to file
10 an application for a temporary restraining order in any district
11 court in the State of Oklahoma without regard to continuing
12 jurisdiction of the child. Upon cause shown, the court may enter a
13 temporary restraining order prohibiting the parent or other person
14 from removing the child from the state pending completion of the
15 assessment or investigation.

16 H. The Director of the Department or designee may request an
17 investigation be conducted by the Oklahoma State Bureau of
18 Investigation or other law enforcement agency in cases where it
19 reasonably believes that criminally injurious conduct including, but
20 not limited to, physical or sexual abuse of a child has occurred.

21 I. Child Welfare Services, in collaboration with the
22 Developmental Disabilities Services Division, shall implement a
23 protocol to be used in cases where the subject child is a child with
24 a disability who has complex medical needs, and the protocol shall

1 include, but not be limited to: resource coordination, medical
2 consultation or medical evaluation, when needed.

11 activity fraudulently made on behalf of the youth in custody. The
12 Department may implement the requirements of this section in stages
13 beginning with youth in the independent living program whose credit
14 rating may inhibit employment and housing opportunities when the
15 child is no longer in custody.

16 B. Within one (1) year of ~~the effective date of this act~~
17 November 1, 2014, the Department of Human Services shall submit

9 modifications to existing ones shall include evaluation of their
10 effect on other programs and services and communication and
11 coordination with other public and private children and youth

6 the greatest need for them.
