BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

1 SECTION 1. NEW LAW A new section of law not to be
2 codified in the Oklahoma Statutes reads as follows:

3 The Legislature finds that retirees of the public retirement
4 systems have not had an increase in retirement benefits pursuant to
5 a legislative authorization since 2008. The Legislature recognizes
6 its responsibilities to the retired members of the public retirement
7 systems and the fiduciary nature of its obligations to ensure that
8 public retirement systems are managed in order to ensure that
9 benefits will be paid to the persons who have retired from the
10 systems and to their beneficiaries. The Legislature finds that a
11 modification to the legal standards pursuant to which benefit
12 increases may be authorized is a prudent response to the economic
13 and financial concerns of the retiree populations while also
14 maintaining adequate safeguards for the preservation of retirement
15 system assets and liquidity which are a necessary precondition for
16 the payment of any and all postretirement benefit increases. The
17 Legislature finds that a benefit increase which balances the
18 financial concerns of the retiree populations with the obligation to
19 ensure funding adequacy for the retirement systems is consistent
20 with its obligations with respect to prudent and conservative
21 management.

22 SECTION 2. AMENDATORY 62 O.S. 2011, Section 3103, is
