13           SECTION 1.           AMENDATORY           63 O.S. 2011, Section 2-309, as  
14   last amended by Section 1, Chapter 323, O.S.L. 2013 (63 O.S. Supp.  
15   2017, Section 2-309), is amended to read as follows:

Section 2-309. A. 1. Except for dosages medically required for a period not to exceed forty-eight (48) hours which are administered by or on direction of a practitioner, other than a pharmacist, or medication dispensed directly by a practitioner, other than a pharmacist, to an ultimate user, no controlled dangerous substance included in Schedule II, which is a prescription drug as determined under regulation promulgated by the Board of Pharmacy, ~~may~~ shall be dispensed without ~~the written~~ an electronic prescription of a practitioner; provided, that in emergency

1 situations, as prescribed by the Board of Pharmacy by regulation,  
2 such drug may be dispensed upon oral prescription reduced promptly  
3 to writing and filed by the pharmacist in a manner to be prescribed  
4 by rules and regulations of the Director of the Oklahoma State  
5 Bureau of Narcotics and Dangerous Drugs Control.

6 2. Electronic prescribing ~~may~~ shall be utilized for Schedules  
7 II, III, IV, and V, subject to the requirements set forth in 21 CFR,  
8 Section 1311 et seq.

9 3. ~~The transmission of written prescription by practitioner to~~  
10 ~~dispensing pharmacy by facsimile or electronic transmission with~~  
11 ~~electronic signature is permitted only under the following~~  
12 ~~conditions:~~

13 a. ~~for Schedule II drugs, the original prescription must~~  
14 ~~be presented and verified against the facsimile at the~~  
15 ~~time the substances are actually dispensed, and the~~  
16 ~~original document must be properly annotated and~~  
17 ~~retained for filing, except:~~

18 ~~(1) home infusion pharmacy may consider the facsimile~~  
19 ~~to be a "written prescription" as required by~~  
20 ~~Section 2-101 et seq. of this title and as~~  
21 ~~required by Title 21 U.S.C., Section 829(a). The~~  
22 ~~facsimile copy of the prescription shall be~~  
23 ~~retained as an original prescription, and it must~~  
24 ~~contain all the information required by Section~~

1                   ~~2-101 et seq. of this title and 21 CFR, Section~~  
2                   ~~1306.05(a), including date issued, the patient's~~  
3                   ~~full name and address, and the practitioner's~~  
4                   ~~name, address, DEA registration number, and~~  
5                   ~~signature. The exception to the regulations for~~  
6                   ~~home infusion/IV therapy is intended to~~  
7                   ~~facilitate the means by which home infusion~~  
8                   ~~pharmacies obtain prescriptions for patients~~  
9                   ~~requiring the frequently modified parenteral~~  
10                  ~~controlled release administration of narcotic~~  
11                  ~~substances, but does not extend to the dispensing~~  
12                  ~~of oral dosage units of controlled substances,~~  
13                  ~~(2) the same exception is granted to patients in Long~~  
14                  ~~Term Care facilities (LTCF), which are filled by~~  
15                  ~~and delivered to the facility by a dispensing~~  
16                  ~~pharmacy, and~~  
17                  ~~(3) an~~ An electronic prescription with electronic  
18                  signature may serve as an original prescription,  
19                  subject to the requirements set forth in 21 CFR,  
20                  Section 1311 et seq., ~~and~~  
21                  b. ~~for drugs in Schedules III and IV, a facsimile copy of~~  
22                  ~~a written, signed prescription transmitted directly by~~  
23                  ~~the prescribing practitioner to the pharmacy can serve~~  
24                  ~~as an original prescription. Electronic prescribing~~

1 ~~may be utilized for Schedules III and IV subject to~~  
2 ~~the same requirements as set forth in 21 CFR, Section~~  
3 ~~1311 et seq.~~

4 4. Prescriptions shall be retained in conformity with the  
5 requirements of this section and Section 2-307 of this title. No  
6 prescription for a Schedule II substance may be refilled.

7 5. The electronic prescription requirement provided for in this  
8 section shall not apply to prescriptions for controlled dangerous  
9 substances issued by any of the following:

- 10 a. a person licensed to practice veterinary medicine,  
11 b. a practitioner who experiences temporary technological  
12 or electrical failure or other extenuating  
13 circumstance that prevents the prescription from being  
14 transmitted electronically; provided, however, that  
15 the practitioner documents the reason for this  
16 exception in the medical record of the patient,  
17 c. a practitioner, other than a pharmacist, who dispenses  
18 directly to an ultimate user,  
19 d. a practitioner who orders a controlled dangerous  
20 substance to be administered in a state-certified and  
21 recognized hospital, nursing home, hospice facility,  
22 outpatient dialysis facility, residential care  
23 facility or correctional facility,  
24

- 1        e. a practitioner who writes a prescription to be  
2        dispensed by a pharmacy located on federal property,  
3        provided the practitioner documents the reason for  
4        this exception in the medical record of the patient,  
5        or  
6        f. a prescriber that has received a waiver or extension  
7        from the Oklahoma State Bureau of Narcotics and  
8        Dangerous Drugs Control.

9        6. Electronic prescriptions shall not be utilized under the  
10       following circumstances:

- 11       a. prescriptions that have complicated directions,  
12       b. prescriptions that have directions that exceed one  
13       hundred forty characters,  
14       c. compound prescriptions containing two or more  
15       commercially available products or two or more active  
16       pharmaceutical ingredients,  
17       d. compounded infusion prescriptions containing two or  
18       more commercially available products or two or more  
19       active pharmaceutical ingredients,  
20       e. prescriptions issued under approved research  
21       protocols,  
22       f. prescriptions that will be dispensed out-of-state, or

1           g. if the practitioner determines that an electronic  
2           prescription cannot be issued in a timely manner and  
3           the condition of the patient is at risk.

4           7. A pharmacist who receives a written, oral or facsimile  
5           prescription shall not be required to verify that the prescription  
6           falls under one of the exceptions provided for in paragraph 6 of  
7           this subsection. Pharmacists may continue to dispense medications  
8           from otherwise valid written, oral or facsimile prescriptions that  
9           are consistent with current laws and regulations.

10          8. Practitioners must indicate in the health record of a  
11          patient that an exception to the electronic prescription requirement  
12          was utilized.

13          B. 1. Except for dosages medically required for a period not  
14          to exceed ~~forty-eight (48)~~ seventy-two (72) hours which are  
15          administered by or on direction of a practitioner, other than a  
16          pharmacist, or medication dispensed directly by a practitioner,  
17          other than a pharmacist, to an ultimate user, no controlled  
18          dangerous substance included in Schedule III or IV, which is a  
19          prescription drug as determined under regulation promulgated by the  
20          Board of Pharmacy, ~~may~~ shall be dispensed without ~~a written or oral~~  
21          an electronic prescription.

22          ~~A written or oral~~ Any prescription for a controlled  
23          dangerous substance in Schedule III ~~or~~, IV or V may not be filled or  
24          refilled more than six (6) months after the date thereof or be

1 refilled more than five times after the date of the prescription,  
2 unless renewed by the practitioner.

3 ~~3. A written or oral prescription for any product containing~~  
4 ~~hydrocodone with another active ingredient shall not be refilled.~~

5 C. ~~No controlled dangerous substance included in Schedule V may~~  
6 ~~be distributed or dispensed other than for a legitimate medical or~~  
7 ~~scientific purpose.~~

8 D. ~~Except for dosages medically required for a period not to~~  
9 ~~exceed forty-eight (48) hours which are administered by or on~~  
10 ~~direction of a practitioner, other than a pharmacist, or medication~~  
11 ~~dispensed directly by a practitioner, other than a pharmacist, to an~~  
12 ~~ultimate user, tincture opium camphorated, commonly known as~~  
13 ~~paregoric, may not be dispensed without a written or oral~~  
14 ~~prescription. The refilling of a prescription for paregoric shall~~  
15 ~~be unlawful unless permission is granted by the prescriber, either~~  
16 ~~written or oral.~~

17 E. Whenever it appears to the Director of the Oklahoma State  
18 Bureau of Narcotics and Dangerous Drugs Control that a drug not  
19 considered to be a prescription drug under existing state law or  
20 regulation of the Board of Pharmacy should be so considered because  
21 of its abuse potential, the Director shall so advise the Board of  
22 Pharmacy and furnish to the Board all available data relevant  
23 thereto.

1       ~~F.~~ D. "Prescription", as used herein, means a written ~~or~~, oral  
2       or electronic order by a practitioner to a pharmacist for a  
3       controlled dangerous substance for a particular patient, which  
4       specifies the date of its issue, and the full name and address of  
5       the patient; and, if the controlled dangerous substance is  
6       prescribed for an animal, the species of the animal; the name and  
7       quantity of the controlled dangerous substance prescribed; the  
8       directions for use; the name and address of the owner of the animal  
9       and, if written, the signature of the practitioner.

10       ~~G.~~ E. No person shall solicit, dispense, receive or deliver any  
11       controlled dangerous substance through the mail, unless the ultimate  
12       user is personally known to the practitioner and circumstances  
13       clearly indicate such method of delivery is in the best interest of  
14       the health and welfare of the ultimate user.

15       F. Beginning November 1, 2018, the electronic prescription  
16       requirement provided for in this section shall apply to all counties  
17       having more than two hundred thousand (200,000) population according  
18       to the latest Federal Decennial Census. All remaining counties  
19       having less than two hundred thousand (200,000) population according  
20       to the latest Federal Decennial Census shall comply with the  
21       electronic prescription requirement provided for in this section on  
22       or before November 1, 2019.

SECTION 2. This act shall become effective November 1, 2018.
