SENATE BILL NO. 972

By: Simpson of the Senate

and

Ownbey of the House

An Act relating to the Oklahoma Health Care Authority Act; directing the Oklahoma Health Care Authority to examine the feasibility of a state plan amendment to the Oklahoma Medicaid program for diabetes self-management training (DSMT); requiring the Authority to submit certain report; requiring the Authority to draft certain state plan amendment under certain conditions; providing definition; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5009.6 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma Health Care Authority shall examine the feasibility of a state plan amendment to the Oklahoma Medicaid Program for diabetes self-management training (DSMT).

B. By December 1, 2018, the Authority shall submit a report to the President Pro Tempore of the Senate, the Speaker of the House of Representatives and the Governor estimating the potential costs to

1 the state, clinical findings, reviews of pilot projects and research
2 from other states on the effects of DSMT on persons with a diabetes
3 diagnosis.

4 C. Beginning July 1, 2019, and subject to the availability of
5 funding, the Authority shall draft a state plan amendment for DSMT
6 for persons with a diabetes diagnosis. The provisions of this
7 subsection shall only apply if the report required by subsection B
8 of this section demonstrates DSMT to be evidence-based and essential
9 to qualifying participants in the Oklahoma Medicaid Program.

10 D. As used in this section, "diabetes self-management training
11 (DSMT)" means the process of facilitating the knowledge, skill and
12 ability necessary for diabetes self-care. This process requires
13 incorporating the patient's unique needs and experiences into an
14 individualized education and support plan that promotes new
15 behaviors and solutions, including, but not limited to, healthy
16 eating, physical activity, self-monitoring and medication use.

17 SECTION 2. This act shall become effective November 1, 2018.
