15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. AMENDATORY 70 O.S. 2011, Section 1-114, as
17 amended by Section 1, Chapter 4, O.S.L. 2016 (70 O.S. Supp. 2017,
18 Section 1-114), is amended to read as follows:

19 Section 1-114. A. All children between the ages of five (5)
20 years on or before ~~September 1~~ July 1, and twenty-one (21) years on
21 or before ~~September 1~~ July 1, shall be entitled to attend school
22 free of charge in the district in which they reside.

23 B. All children who are at least four (4) years of age but not
24 more than five (5) years of age on or before ~~September 1~~ July 1 and

1 who have not attended a public school kindergarten shall be entitled
2 to attend half-day or full-day early childhood programs at any
3 public school in the state where such programs are offered;
4 provided, no child shall be required to attend any early childhood
5 education program. The following paragraphs shall govern early
6 childhood programs:

7 1. Children who are at least four (4) years of age but not more
8 than five (5) years of age on or before ~~September 1~~ July 1 shall be
9 entitled to attend either half-day or full-day early childhood
10 programs in their district of residence free of charge as long as
11 the district has the physical facilities and teaching personnel to
12 accommodate the child. For purposes of calculation of State Aid,
13 children in an early childhood education program shall be included
14 in the average daily membership of the district providing the
15 program;

16 2. A child who has not reached the age of five (5) years on or
17 before ~~September 1~~ July 1 and who resides in a district which does
18 not offer an early childhood program shall be eligible for transfer
19 to a district where an early childhood program is offered if the
20 district that offers the early childhood program agrees to the
21 transfer. A district offering early childhood programs may refuse
22 to accept a nonresident child if the district does not have the
23 physical facilities or teaching personnel to accommodate the child
24 in an early childhood education class. If the child requesting the

1 transfer has not reached the age of four (4) years on or before
2 ~~September 1~~ July 1, the district may refuse to accept the
3 nonresident child if the district determines the child is not ready
4 for an early childhood program. Children who are accepted in a
5 program outside their district of residence as provided in this
6 paragraph shall be included in the average daily membership of the

17 or before ~~September 1~~ July 1 of the school year.

18 D. No nonresident and nontransferred pupil shall be allowed to
19 attend school in any school district unless a tuition fee equal to
20 the per capita cost of education for a similar period in such
21 district during the preceding year has been paid to the receiving
22 district in advance yearly or by semester as determined by the
23 district board of education of the receiving district. If the State
24 Board of Education discovers that such attendance has been allowed

1 without prior payment of the tuition fee in advance as required, no
2 further payment of any State Aid Funds shall be made to the district
3 until such district has shown to the satisfaction of the State Board
4 of Education that all such tuition fees have been paid or that such
5 tuition pupil will no longer be allowed to attend school until the
6 required tuition fee has been paid.

7 E. Any parent, guardian, person or institution having care and
8 custody of a child who pays ad valorem tax on real property in any
9 other school district other than that in which that person resides
10 may, with the approval of the receiving board, enroll the child in
11 any school district in which ad valorem tax is paid and receive a
12 credit on the nonresident tuition fee equal to the amount of the ad
13 valorem tax paid for school district purposes in the school district
14 in which the child is enrolled. Provided, the credit shall not
15 exceed the total amount required for the tuition payment.

16 SECTION 2. AMENDATORY 70 O.S. 2011, Section 11-103.7, as
17 amended by Section 3, Chapter 217, O.S.L. 2015 (70 O.S. Supp. 2017,
18 Section 11-103.7), is amended to read as follows:

19 Section 11-103.7. A. Each school district may offer to four-
20 year-old children the opportunity to participate in an early
21 childhood education program.

22 B. The State Board of Education shall promulgate standards for
23 early childhood education programs for children who are at least
24 four (4) years of age on or before ~~September 1~~ July 1 of the ensuing

1 school year. The standards shall include both half-day programs
2 consisting of not less than two and one-half (2 1/2) hours per
3 school day, and full-day programs of six (6) hours. The standards
4 for all early childhood education programs shall require a certified
5 teacher, as specified in this section, to be present in the
6 classroom for the length of the school day. Such program shall:

7 1. Be directed toward developmentally appropriate objectives
8 for such children, rather than toward academic objectives suitable
9 for older children;

22 program within the district, in cooperation with other districts,
23 through the use of transfers as specified by law, or by contracting
24 with a private or public provider of early childhood education

1 programs, or by contracting for classroom space with a licensed
2 public or private child care provider based upon selection criteria
3 established by the district. If the program is provided through
4 contract with a private or public provider other than a school
5 district, the contract may only be continued if each teacher serving
6 the school on and after January 1, 1993, is certified in early
7 childhood education, except that all teachers, without such
8 certification, hired by such provider prior to January 1, 1993, and
9 serving in the school as an early childhood education teacher shall
10 be required to obtain certification on or before the beginning of
11 the 1996-97 school year. Any person who has been employed as an
12 early childhood educator with the Head Start Program, has a child
13 development associate degree (CDA) and has at least five (5) years
14 of experience in such employment shall be certified in early
15 childhood education for purposes of employment in the public schools
16 of this state to teach in early childhood education for children
17 four (4) years of age and younger; if such person is recertified in
18 child development by the Council for Early Childhood Professional
19 Recognition within five (5) years prior to the expiration of the
20 person's early childhood certificate that was issued by the State
21 Board of Education, such person shall be granted a renewal
22 certificate in early childhood education by the State Board of
23 Education upon expiration of the early childhood certificate.

1 Provided, private or public providers shall meet such other
2 standards required by law and by the State Board of Education.

3 E. If an early childhood program is provided by a private or
4 public provider pursuant to a contract as authorized in this
5 section, the contract shall address the requirements for
6 implementing the residency program for resident teachers as required
7 in Section 6-195 of this title. Teachers employed by a private or
8 public provider in an early childhood education program provided
9 through contract with a public school district shall receive in
10 salary and/or fringe benefits amounts not less than the amounts
11 specified in the schedule set forth in Section 18-114.14 of this
12 title.

13 F. The State Board of Education shall promulgate rules to
14 provide for the implementation of such program.

15 G. An early childhood education program may be offered jointly
16 by school districts that have formed interlocal cooperative
17 agreements pursuant to Section 5-117b of this title.

18 H. The term "prekindergarten" shall mean early childhood
19 education for purposes of this title.

20 I. The State Board of Education shall ensure that the standards
21 for early childhood education are aligned with any new subject
22 matter standards adopted pursuant to Section 11-103.6a of this
23 title.

SECTION 3. This act shall become effective November 1, 2018.
