

STATE OF OKLAHOMA

2nd Session of the 56th Legislature (2018)

SENATE BILL 1467

By: Fields

AS INTRODUCED

An Act relating to renewable energy; amending 17 O.S. 2011, Section 801.3, which relates to Oklahoma Energy Security Act; modifying certain reference.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 17 O.S. 2011, Section 801.3, is amended to read as follows:

Section 801.3. As used in the Oklahoma Energy Security Act:

1. "Commission" means the Oklahoma Corporation Commission;

2. "Demand side management" means the management of customer consumption of electricity, or the demand for electricity, through the implementation of:

- a. load management or demand resource technologies, management practices or other strategies in residential, commercial, industrial, institutional or government customers that shift electric loads from periods of higher demand to periods of lower demand, or

1 b. industrial by-product technologies consisting of the
2 use of a by-product from an industrial process,
3 including the reuse of energy from exhaust gases or
4 other manufacturing by-products that are used in the
5 direct production of electricity at the facility of a
6 customer; and

7 3. "Energy efficiency" means technologies, management practices
8 or other strategies in residential, commercial, institutional, or
9 government customers that reduce electricity use by those consumers.
