school board of education members representing the school districts located within the county. Pursuant to Section 5 of Article V of the Oklahoma Constitution, the legal voters in any county may petition the county election board to conduct an election to elect a county superintendent. The election procedures for county superintendents shall be nonpartisan and shall comply with the provisions of Sections 1-101 through 1-106 of Title 26 of the Oklahoma Statutes.

- B. Beginning with the 2019-2020 school year, school districts located in a county with a population of four hundred thousand (400,000) or more people shall be administered by a superintendent who is selected by the school board of education members elected by the school district except as otherwise provided in this subsection. Forty percent (40%) of the school district electors may petition the school board of education to elect a superintendent for the school district. The election procedures for superintendents as provided in this subsection shall be nonpartisan and shall comply with the provisions of Sections 13A-101 through 13A-111 of Title 26 of the Oklahoma Statutes.
- C. The State Board of Education and the State Election Board shall promulgate rules to implement the provisions of this section.
- D. If a school district superintendent is not selected or elected to be county superintendent, the school board of education may employ the superintendent as a certified classroom teacher,
