

## STATE OF OKLAHOMA

1st Session of the 56th Legislature (2017)

HOUSE BILL 1339

By: McDaniel

AS INTRODUCED

An Act relating to the Teachers' Retirement System of Oklahoma; amending 70 O.S. 2011, Sections 17-102.3 and 17-105, as last amended by Section 1, Chapter 129, O.S.L. 2016 (70 O.S. Supp. 2016, Section 17-105) which relate to administration of the retirement system; authorizing termination of Section 403(b) plan; prescribing requirements for termination; providing procedures; modifying provisions related to disability determination; modifying provisions related to approval of certain transactions by the Board of Trustees; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2011, Section 17-102.3, is amended to read as follows:

Section 17-102.3 The Tax-Sheltered Annuity Program provided by Section 17-101 et seq. of this title shall satisfy the applicable qualification requirements for grandfathered governmental tax-sheltered annuity programs as specified in 26 U.S.C. Section 403(b) and the relevant regulatory provisions and guidance related thereto. In order to satisfy these requirements and guidelines, the Teachers' Retirement Tax-Sheltered Annuity Program shall be subject to the

1 following provisions, notwithstanding any other provision of the law  
2 governing the Oklahoma Teachers' Retirement System:

3 (1) The Board of Trustees shall administer and distribute the  
4 corpus and income of the Tax-Sheltered Annuity Program to members  
5 and their beneficiaries pursuant to the applicable requirements  
6 under 26 U.S.C. Section 403(b), relevant regulatory provisions and  
7 guidance under 26 U.S.C. Section 403(b), and in accordance with the  
8 law governing the Oklahoma Teachers' Retirement System.

9 (2) All benefits paid from the retirement system shall be  
10 distributed in accordance with the applicable requirements of 26  
11 U.S.C. Sections 403(b)(10) and 401(a)(9) and the regulations  
12 thereto.

13 (3) To the extent required by 26 U.S.C. Sections 403(b)(10) and  
14 401(a)(31), the retirement system shall allow members and qualified  
15 beneficiaries to elect a direct rollover of eligible distributions  
16 to another eligible retirement plan.

17 (4) To the extent required under 26 U.S.C. Section 403(b)(11)  
18 and the regulations thereto, distributions under the Tax-Sheltered  
19 Annuity Program shall only be paid when the member attains the age  
20 of fifty-nine and one-half (59 1/2) years, separates from service,  
21 dies, becomes disabled, or in the case of hardship.

22 (5) The Board of Trustees may terminate its Tax-Sheltered  
23 Annuity Program (the "Program") administered under 26 U.S.C.,  
24 Section 403(b). The Board may only do so in a way that is

1 consistent with federal tax law and minimizes financial harm to the  
2 participants in the Program. To assist in minimizing any such harm,  
3 all employers that participate in the Teachers' Retirement System  
4 and maintain their own tax-sheltered annuity programs under Section  
5 403(b) of the Code, and who employ a participant in the Program, or  
6 who employed a retired participant in the Program, shall permit the  
7 firm administering the Program on the effective date of this act to  
8 be a provider in the employers' local programs. Such participation  
9 is only for the purpose of offering the same investment options to  
10 the participants that were available in the Program. Employers need  
11 only keep this firm as a provider for a two-year period beginning  
12 with the end of the local programs' current plan year as of the  
13 effective date of this act. In addition the firm administering the  
14 Program must continue to be lawfully providing those investment  
15 options during that two-year period. Any active or retired  
16 participant in the local 403(b) programs may choose any other  
17 provider offered under that program.

18       SECTION 2.       AMENDATORY       70 O.S. 2011, Section 17-105, as  
19 last amended by Section 1, Chapter 129, O.S.L. 2016 (70 O.S. Supp.  
20 2016, Section 17-105), is amended to read as follows:

21       Section 17-105. (1) (a) Any member who has attained age  
22 fifty-five (55) or who has completed thirty (30) years of creditable  
23 service, as defined in Section 17-101 of this title, or for any  
24 person who initially became a member prior to July 1, 1992,

1 regardless of whether there were breaks in service after July 1,  
2 1992, whose age and number of years of creditable service total  
3 eighty (80) may be retired upon proper application for retirement on  
4 forms established by the System and executing a retirement contract.  
5 Such a retirement date will also apply to any person who became a  
6 member of the sending system as defined in this act, prior to July  
7 1, 1992, regardless of whether there were breaks in service after  
8 July 1, 1992. Any person who became a member after June 30, 1992,  
9 but prior to November 1, 2011, whose age and number of years of  
10 creditable service total ninety (90) may be retired upon proper  
11 application for retirement and executing a retirement contract. Any  
12 person who becomes a member on or after November 1, 2011, who  
13 attains the age of sixty-five (65) years or who reaches a normal  
14 retirement date pursuant to subparagraph (d) of paragraph (24) of  
15 Section 17-101 of this title having attained a minimum age of sixty  
16 (60) years may be retired upon proper application for retirement and  
17 executing a retirement contract. The application shall be filed on  
18 the form provided by the Board of Trustees for this purpose, not  
19 less than sixty (60) days before the date of retirement, provided  
20 that the Executive Director may waive the sixty-day deadline for  
21 good cause shown as defined by the Board.

- 22 1. The employer shall provide the System with the  
23 following information for a retiring member, no later  
24 than the fifteenth day of the month of retirement:

1 last day physically on the job; last day on payroll;  
2 any regular compensation not already reported to the  
3 System; and final unused sick leave balance.

- 4 2. Failure to submit this information by the deadline, or  
5 errors in submitted information that result in a  
6 disqualification of retirement eligibility shall be  
7 the responsibility of the employer. In cases where  
8 the error results in disqualification of retirement  
9 eligibility, it is the employer's responsibility to  
10 reemploy the member, or retain the member on the  
11 payroll, for the time period required to reach  
12 eligibility, not exceeding two (2) months.

13 (b) An individual who becomes a member of the Teachers'  
14 Retirement System after July 1, 1967, shall be employed by the  
15 public schools, state colleges or universities of Oklahoma for a  
16 minimum of five (5) years and be a contributing member of the  
17 Teachers' Retirement System of Oklahoma for a minimum of five (5)  
18 years to qualify for monthly retirement benefits from the Teachers'  
19 Retirement System of Oklahoma.

20 (c) Any member with five (5) or more years of Oklahoma teaching  
21 service and whose accumulated contributions during such period have  
22 not been withdrawn shall be given an indefinite extension of  
23 membership beginning with the sixth year following his or her last  
24

1 contributing membership and shall become eligible to apply for  
2 retirement and be retired upon attaining age fifty-five (55).

3 (2) An unclassified optional member who has retired or who  
4 retires at sixty-two (62) years of age or older or whose retirement  
5 is because of disability shall have his or her minimum retirement  
6 benefits calculated on an average salary of Five Thousand Three  
7 Hundred Fifty Dollars (\$5,350.00) or, if a larger monthly allowance  
8 would result, an amount arrived at pursuant to application of the  
9 formula prescribed herein.

10 (3) No member shall receive a lesser retirement benefit than he  
11 or she would have received under the law in effect at the time he or  
12 she retired. Any individual under the Teachers' Retirement System,  
13 who through error in stating the title of the position which he or  
14 she held, may, at the discretion of the Board of Trustees, be  
15 changed from the nonclassified optional group to the classified  
16 group for the purpose of calculating retirement benefits.

17 Any individual regardless of residence, who has a minimum of ten  
18 (10) years of teaching in Oklahoma schools prior to July 1, 1943, or  
19 who taught in Oklahoma schools prior to 1934 and thereafter taught a  
20 minimum of ten (10) years and who does not qualify under the present  
21 retirement System, or who has a minimum of thirty (30) years of  
22 teaching in Oklahoma schools and has reached seventy (70) years of  
23 age prior to July 1, 1984, and is not otherwise eligible to receive  
24 any benefits from the retirement system shall receive a minimum of

1 One Hundred Fifty Dollars (\$150.00) per month in retirement benefits  
2 from the Teachers' Retirement System of Oklahoma plus any general  
3 increase in benefits for annuitants as may be provided hereafter by  
4 the Legislature. Each individual must apply to the Teachers'  
5 Retirement System for such benefit and provide evidence to the  
6 Teachers' Retirement System that the service was actually rendered.  
7 The surviving spouse of any person who made application for the  
8 benefit provided for by this paragraph during his or her lifetime  
9 but did not receive said benefit may submit an application to the  
10 System for payment of said benefit for those months during the  
11 lifetime of the deceased person that he or she was eligible for but  
12 did not receive the benefit. Upon approval of the application by  
13 the Board of Trustees, the benefit shall be paid to the surviving  
14 spouse in one lump sum.

15 (4) The value of each year of prior service is the total  
16 monthly retirement benefit divided by the number of years of  
17 creditable service.

18 (5) Upon application of a member who is actively engaged in  
19 teaching in Oklahoma or his or her employer, any member who has been  
20 a contributing member for ten (10) years may be retired by the Board  
21 of Trustees subsequent to the execution and filing thereof, on a  
22 disability retirement allowance, provided that it is found by the  
23 Board of Trustees after medical examination of such member by a duly  
24 qualified physician that such member is mentally or physically

1 incapacitated for further performance of duty, that such incapacity  
2 is likely to be permanent, and that such member should be retired.  
3 The Board of Trustees shall give due consideration to the  
4 conclusions and recommendations in the certified written report of  
5 the Medical Board of the Teachers' Retirement System regarding the  
6 disability application of such member. If a member is determined to  
7 be eligible for disability benefits pursuant to the Social Security  
8 System, then such determination shall entitle the member to the  
9 authorized disability retirement allowance provided by law. For  
10 members who are not eligible for disability benefits pursuant to the  
11 Social Security System, the Board of Trustees shall apply the same  
12 standard for which provision is made in the first two sentences of  
13 this subsection for determining the eligibility of a person for such  
14 disability benefits in making a determination of eligibility for  
15 disability benefits as authorized by this subsection.

16 (6) (a) A member who at the time of retirement has been found  
17 to be permanently physically or mentally incapacitated to ~~teach~~  
18 ~~school~~ perform the job duties for which he or she is employed shall  
19 receive a minimum monthly retirement payment for life or until such  
20 time as the member may be found to be recovered to the point where  
21 he or she may return to teaching. Any member retired before July 1,  
22 1992, shall be eligible to receive the monthly retirement allowance  
23 herein provided, but such payment shall not begin until the first  
24 payment due him or her after July 1, 1992, and shall not be

1 retroactive. The Board of Trustees is empowered to make such rules  
2 and regulations as it considers proper to preserve equity in  
3 retirements under this provision, which shall include a provision to  
4 protect the rights of the member's spouse.

5 (b) A member who has qualified for retirement benefits under  
6 disability retirement shall have the total monthly payment deducted  
7 from his or her accumulated contributions plus interest earned and  
8 any money remaining in the member's account after the above  
9 deductions at the death of the member shall be paid in a lump sum to  
10 the beneficiary or to the estate of the member. Provided, if the  
11 deceased disabled member had thirty (30) years or more of creditable  
12 service and the death occurred after June 30, 1981, and death  
13 occurred prior to the disabled member receiving twelve monthly  
14 retirement payments, a surviving spouse may elect to receive the  
15 retirement benefit to which the deceased member would have been  
16 entitled at the time of death under the Option 2 Plan of Retirement  
17 provided for in subsection (8) of this section in lieu of the death  
18 benefit provided for in this subsection and in subsection (12) of  
19 this section.

20 (c) Once each year the Board of Trustees may require any  
21 disabled annuitant who has not yet attained the age of sixty (60)  
22 years to undergo a medical examination, such examination to be made  
23 at the place of residence for said disabled annuitant or other place  
24 mutually agreed upon by a physician or physicians designated by the

1 Board of Trustees. Should any disabled annuitant who has not yet  
2 attained the age of sixty (60) years refuse to submit to at least  
3 one medical examination in any such year by a physician or  
4 physicians designated by the Board of Trustees his or her allowance  
5 may be discontinued until he or she submits to such examination.

6 (d) Should the Medical Board report and certify to the Board of  
7 Trustees that such disabled annuitant is engaged in or is able to  
8 engage in a gainful occupation paying more than the difference  
9 between his or her retirement allowance and the average final  
10 compensation, and should the Board of Trustees concur in such report  
11 then the amount of his or her pension shall be reduced to an amount  
12 which, together with his or her retirement allowance and that amount  
13 earnable by him or her, shall equal the amount of his or her average  
14 final compensation. Should his or her earning capacity be later  
15 increased, the amount of his or her pension may be further modified,  
16 provided the new pension shall not exceed that amount of the pension  
17 originally granted nor an amount, which when added to the amount  
18 earnable by the member, together with his or her annuity, equals the  
19 amount of his or her average final compensation.

20 (e) Should a disabled annuitant be restored to active service,  
21 his or her disability retirement allowance shall cease and he or she  
22 shall again become a member of the Teachers' Retirement System and  
23 shall make regular contributions as required under this article.  
24 The unused portion of his or her accumulated contributions shall be

1 reestablished to his or her credit in the Teachers' Savings Fund.

2 Any such prior service certificates on the basis of which his or her  
3 service was computed at the time of his or her retirement shall be  
4 restored to full force and effect.

5 (7) Should a member before retirement under Section 1-101 et  
6 seq. of this title make application for withdrawal duly filed with  
7 the ~~Board of Trustees and approved by it~~ System, not earlier than  
8 four (4) months after the date of termination of such service as a  
9 teacher, the contribution standing to the credit of his or her  
10 individual account in the Teachers' Savings Fund shall be paid to  
11 him or her or, in the event of his or her death before retirement,  
12 shall be paid to such person or persons as he or she shall have  
13 nominated by written designation, duly executed and filed with the  
14 ~~Board of Trustees~~ System; provided, however, if there be no  
15 designated beneficiary surviving upon such death, such contributions  
16 shall be paid to his or her administrators, executors, or assigns,  
17 together with interest as hereinafter provided. In lieu of a lump-  
18 sum settlement at the death of the member, the amount of money the  
19 member has on deposit in the Teachers' Savings Fund and the money  
20 the member has on deposit in the Teachers' Deposit Fund may be paid  
21 in monthly payments to a designated beneficiary, who must be the  
22 spouse, under the Maximum or Option 1 Plan of Retirement providing  
23 the monthly payment shall be not less than Twenty-five Dollars  
24 (\$25.00) per month. The monthly payment shall be the actuarial

1 equivalent of the amount becoming due at the member's death based on  
2 the sex of the spouse and the age the spouse has attained at the  
3 last birthday prior to the member's death. Provided further, if  
4 there be no designated beneficiary surviving upon such death, and  
5 the contributions standing to the credit of such member do not  
6 exceed Two Hundred Dollars (\$200.00), no part of such contributions  
7 shall be subject to the payment of any expense of the last illness  
8 or funeral of the deceased member or any expense of administration  
9 of the estate of such deceased and the ~~Board of Trustees~~ System,  
10 upon satisfactory proof of the death of such member and of the name  
11 or names of the person or persons who would be entitled to receive  
12 such contributions under the laws of descent and distribution of the  
13 state, may authorize the payment of accumulated contributions to  
14 such person or persons. A member terminating his or her membership  
15 by withdrawal after June 30, 2003, shall have the interest computed  
16 at a rate of interest determined by the Board of Trustees and paid  
17 to him or her subject to the following schedule:

18 (a) If termination occurs within sixteen (16) years from the  
19 date membership began, fifty percent (50%) of such interest  
20 accumulations shall be paid.

21 (b) With at least sixteen (16) but less than twenty-one (21)  
22 years of membership, sixty percent (60%) of such interest  
23 accumulations shall be paid.

1 (c) With at least twenty-one (21) but less than twenty-six (26)  
2 years of membership, seventy-five percent (75%) of such interest  
3 accumulations shall be paid.

4 (d) With at least twenty-six (26) years of membership, ninety  
5 percent (90%) of such interest accumulations shall be paid.

6 In case of death of an active member, the interest shall be  
7 calculated and restored to the member's account and paid to his or  
8 her beneficiary.

9 (8) (a) In lieu of his or her retirement allowance payable  
10 throughout life for such an amount as determined under this section,  
11 the member may select a retirement allowance for a reduced amount  
12 payable under any of the following options the present value of  
13 which is the actuarial equivalent thereof.

14 (b) A member may select the option under which he or she  
15 desires to retire at the end of the school year in which he or she  
16 attains age seventy (70) and said option shall be binding and cannot  
17 be changed. Provided further that if a member retires before age  
18 seventy (70), no election of an option shall be effective in case an  
19 annuitant dies before the first payment due under such option has  
20 been received.

21 (c) The first payment of any benefit selected shall be made on  
22 the first day of the month following approval of the retirement by  
23 the System. If the named designated beneficiary under Option 2 or 3  
24 dies at any time after the member's retirement date, but before the

1 death of the member, the member shall return to the retirement  
2 benefit, including any post retirement benefit increases the member  
3 would have received had the member not selected Option 2 or 3 of  
4 this subsection. The benefit shall be determined at the date of  
5 death of the designated beneficiary or July 1, 1994, whichever is  
6 later. This increase shall become effective the first day of the  
7 month following the date of death of the designated beneficiary or  
8 July 1, 1994, whichever is later, and shall be payable for the  
9 member's remaining lifetime. The member shall notify the Teachers'  
10 Retirement System of Oklahoma of the death of the designated  
11 beneficiary in writing. In the absence of said written notice being  
12 filed by the member notifying the Teachers' Retirement System of  
13 Oklahoma of the death of the designated beneficiary within six (6)  
14 months of the date of death, nothing in this subsection shall  
15 require the Teachers' Retirement System of Oklahoma to pay more than  
16 six (6) months of retrospective benefits increase.

17 Option 1. If he or she dies before he or she has received in  
18 annuity payments the present value of his or her annuity as it was  
19 at the time of his or her retirement, the balance shall be paid to  
20 his or her legal representatives or to such person as he or she  
21 shall nominate by written designation duly acknowledged and filed  
22 with the Board of Trustees at the time of his or her retirement; or

23 Option 2. A member takes a reduced retirement allowance for  
24 life. Upon the death of the member the payments shall continue to

1 the member's designated beneficiary for the life of the beneficiary.  
2 The written designation of the beneficiary must be duly acknowledged  
3 and filed with the ~~Board of Trustees~~ System at the time of the  
4 member's retirement and, except as provided in paragraph (e) of this  
5 subsection, cannot be changed after the effective date of the  
6 member's retirement; or

7       Option 3. A member receives a reduced retirement allowance for  
8 life. Upon the death of the member one-half (1/2) of the retirement  
9 allowance paid the member shall be continued throughout the life of  
10 the designated beneficiary. A written designation of a beneficiary  
11 must be duly acknowledged and filed with the ~~Board of Trustees~~  
12 System at the time of the member's retirement and, except as  
13 provided in paragraph (e) of this subsection, cannot be changed  
14 after the effective date of the member's retirement; or

15       Option 4. Some other benefit or benefits shall be paid either  
16 to the member or to such person or persons as he or she shall  
17 nominate, provided such other benefit or benefits, together with the  
18 reduced retirement allowance, shall be certified by the actuary to  
19 be of equivalent actuarial value to his or her retirement allowance  
20 and shall be approved by the ~~Board of Trustees~~ System.

21       (d) Provided that Option 2 and Option 3 shall not be available  
22 if the member's expected benefit is less than fifty percent (50%) of  
23 the lump-sum actuarial equivalent and the designated beneficiary is  
24 not the spouse of the member.

1       (e) A member who chose the maximum retirement benefit plan at  
2 the time of retirement may make a one-time election to choose either  
3 Option 2 or 3 and name the member's spouse as designated beneficiary  
4 if the member marries after making the initial election. Such an  
5 election shall be made by July 1, 2011, or within one (1) year of  
6 the date of marriage, whichever is later. The member shall provide  
7 proof of a member's good health before the Board of Trustees will  
8 permit a change to either Option 2 or 3 and the naming of a  
9 designated beneficiary. A medical examination conducted by a  
10 licensed physician is required for purposes of determining good  
11 health. Such examination must be approved by the Medical Board.  
12 The member shall be required to provide proof of age for the new  
13 beneficiary. The Board of Trustees shall adjust the monthly benefit  
14 to the actuarially equivalent amount based on the new designated  
15 beneficiary's age. The Board of Trustees shall promulgate rules to  
16 implement the provisions of this subsection.

17       (f) A member who retires after the effective date of this act  
18 and has selected a retirement allowance for a reduced amount payable  
19 under one of the options provided for in this subsection may make a  
20 one-time irrevocable election to select a different option within  
21 sixty (60) days of the member's retirement date. The beneficiary  
22 designated by the member at the time of retirement shall not be  
23 changed if the member makes the election provided for in this  
24 paragraph.

1 (g) Any individual who is eligible to be a beneficiary of a  
2 member under this subsection, and who is also a beneficiary of a  
3 trust created under the Oklahoma Discretionary and Special Needs  
4 Trust Act, Section 175.81 et seq. of Title 60 of the Oklahoma  
5 Statutes, or a comparable Trust Act created under the laws of  
6 another state, hereinafter collectively referred to as "Trust Acts",  
7 may be a beneficiary under this subsection by having the trustee of  
8 the trust established for the benefit of that individual named as  
9 the legal beneficiary under this subsection. The age of that  
10 beneficiary shall be used for calculating any benefit payable to the  
11 trust under this subsection. The beneficiary of such a trust shall  
12 be treated as the beneficiary under this subsection except that  
13 payments of any benefits due under this subsection shall be payable  
14 to the lawfully appointed trustee of the trust. The obligation of  
15 the System to pay the beneficiary under this subsection shall be  
16 satisfied by payment to the trustee whom the System, in good faith,  
17 believes to be the lawfully appointed trustee. Any conflict between  
18 the statutes creating and governing the Teachers' Retirement System  
19 in Section 17-101 et seq. of this title and the provisions of any  
20 Trust Act referred to above shall be resolved in favor of the  
21 statutes governing the System. If an eligible beneficiary is named  
22 at the time of retirement, and becomes a beneficiary of a trust  
23 under one of the Trust Acts described herein after that time, the  
24 System will acknowledge the trust as the beneficiary upon the

1 submission of adequate documentation of the existence of the trust.  
2 All other provisions of this subsection shall apply to these  
3 subsequently created trusts.

4 (h) The Board of Trustees of the System may recognize other  
5 trusts set up for the benefit of individuals otherwise eligible to  
6 be named as a beneficiary under this subsection by administrative  
7 rule if it can be done without undue additional administrative  
8 expense of the System.

9 (9) The governing board of any "public school", as that term is  
10 defined in Section 17-101 of this title, is hereby authorized and  
11 empowered to pay additional retirement allowances or compensation to  
12 any person who was in the employ of such public school for not less  
13 than seven (7) school years preceding the date of his or her  
14 retirement. Payments so made shall be a proper charge against the  
15 current appropriation or appropriations of any such public school  
16 for salaries for the fiscal year in which such payments are made.  
17 Such payments shall be made in regular monthly installments in such  
18 amounts as the governing board of any such public school, in its  
19 judgment, shall determine to be reasonable and appropriate in view  
20 of the length and type of service rendered by any such person to  
21 such public school by which such person was employed at the time of  
22 retirement. All such additional payments shall be uniform, based  
23 upon the length of service and the type of services performed, to  
24 persons formerly employed by such public school who have retired or

1 been retired in accordance with the provisions of Section 17-101 et  
2 seq. of this title.

3 The governing board of any such public school may adopt rules  
4 and regulations of general application outlining the terms and  
5 conditions under which such additional retirement benefits shall be  
6 paid, and all decisions of such board shall be final.

7 (10) In addition to the teachers' retirement herein provided,  
8 teachers may voluntarily avail themselves of the Federal Social  
9 Security Program upon a district basis.

10 (11) Upon the death of an in-service member, the System shall  
11 pay to the designated beneficiary of the member or, if there is no  
12 designated beneficiary or if the designated beneficiary predeceases  
13 the member, to the estate of the member, the sum of Eighteen  
14 Thousand Dollars (\$18,000.00) as a death benefit. Provided, if the  
15 deceased member had ten (10) years or more of creditable service and  
16 the death occurred after February 1, 1985, the member's designated  
17 beneficiary may elect to receive the retirement benefit to which the  
18 deceased member would have been entitled at the time of death under  
19 the Option 2 plan of retirement in lieu of the death benefit  
20 provided for in this subsection. Provided further, the option  
21 provided in this subsection is only available when the member has  
22 designated one individual as the designated beneficiary. The  
23 beneficiary or beneficiaries of death benefits in the amount not to  
24 exceed Eighteen Thousand Dollars (\$18,000.00), but exclusive of any

1 retirement benefit received by an electing beneficiary based upon  
2 creditable service performed by the deceased member, which are  
3 provided pursuant to this subsection may elect to disclaim such  
4 death benefits in which case such benefits will be transferred to a  
5 person licensed as a funeral director or to a lawfully recognized  
6 business entity licensed as required by law to provide funeral  
7 services for the deceased member. The qualified disclaimer must be  
8 in writing and will be an irrevocable and an unqualified refusal to  
9 accept all or a portion of the death benefit. It must be received  
10 by the transferor no more than nine (9) months after the later of  
11 the day the transfer creating the interest in the disclaiming person  
12 is made or the day the disclaiming person attains age twenty-one  
13 (21). The interest in the death benefits must pass without  
14 direction by the disclaiming person to another person.

15 (12) Upon the death of an annuitant who has contributed to the  
16 System, the retirement system shall pay to the designated  
17 beneficiary of the annuitant or, if there is no designated  
18 beneficiary or if the designated beneficiary predeceases the  
19 annuitant, to the estate of the annuitant, the sum of Five Thousand  
20 Dollars (\$5,000.00) as a death benefit. The beneficiary or  
21 beneficiaries of benefits provided pursuant to this subsection may  
22 elect to disclaim such death benefits in which case such benefits  
23 will be transferred to a person licensed as a funeral director or to  
24 a lawfully recognized business entity licensed as required by law to

1 provide funeral services for the deceased member. The qualified  
2 disclaimer must be in writing and will be an irrevocable and an  
3 unqualified refusal to accept all or a portion of the death benefit.  
4 It must be received by the transferor no more than nine (9) months  
5 after the later of the day the transfer creating the interest in the  
6 disclaiming person is made or the day the disclaiming person attains  
7 age twenty-one (21). The interest in the death benefits must pass  
8 without direction by the disclaiming person to another person. The  
9 benefit payable pursuant to this subsection shall be deemed, for  
10 purposes of federal income taxation, as life insurance proceeds and  
11 not as a death benefit if the Internal Revenue Service approves this  
12 provision pursuant to a private letter ruling request which shall be  
13 submitted by the board of trustees of the System for that purpose.

14 (13) Upon the death of a member who dies leaving no living  
15 beneficiary or having designated his or her estate as beneficiary,  
16 the System may pay any applicable death benefit, unpaid  
17 contributions, or unpaid benefit which may be subject to probate, in  
18 an amount of Twenty-five Thousand Dollars (\$25,000.00) or less,  
19 without the intervention of the probate court or probate procedure  
20 pursuant to Section 1 et seq. of Title 58 of the Oklahoma Statutes.

21 (a) Before any applicable probate procedure may be waived, the  
22 System must be in receipt of the member's proof of death and the  
23 following documents from those persons claiming to be the legal  
24 heirs of the deceased member:

1. The member's valid last will and testament, trust documents or affidavit that a will does not exist;
2. An affidavit or affidavits of heirship which must state:
  - a. the names and signatures of all claiming heirs to the deceased member's estate including the claiming heirs' names, relationship to the deceased, current addresses, tax I.D. numbers if known and current telephone numbers,
  - b. a statement or statements by the claiming heirs that no application or petition for the appointment of a personal representative is pending or has been granted in any jurisdiction,
  - c. a description of the personal property claimed, (i.e., death benefit or unpaid contributions or both) together with a statement that such personal property is subject to probate,
  - d. a statement by each individual claiming heir identifying the amount of personal property that the heir is claiming from the System, and that the heir has been notified of, is aware of and consents to the identified claims of all the other claiming heirs of the deceased member pending with the System;

1           3.    A written agreement or agreements signed by all  
2                claiming heirs of the deceased member which provides  
3                that the claiming heirs release, discharge and hold  
4                harmless the System from any and all liability,  
5                obligations and costs which it may incur as a result  
6                of making a payment to any of the deceased member's  
7                heirs;

8           4.    A corroborating affidavit from an individual other  
9                than a claiming heir, who was familiar with the  
10              affairs of the deceased member;

11          5.    Proof that all debts of the deceased member, including  
12                payment of last sickness, hospital, medical, death,  
13                funeral and burial expenses have been paid or provided  
14                for.

15          (b)   The Executive Director of the System shall retain complete  
16       discretion in determining which requests for probate waiver may be  
17       granted or denied, for any reason. Should the System have any  
18       question as to the validity of any document presented by the  
19       claiming heirs, or as to any statement or assertion contained  
20       therein, the probate requirement provided for in Section 1 et seq.  
21       of Title 58 of the Oklahoma Statutes, shall not be waived.

22          (c)   After paying any death benefits or unpaid contributions to  
23       any claiming heirs as provided pursuant to this subsection, the  
24       System is discharged and released from any and all liability,

1 obligation and costs to the same extent as if the System had dealt  
2 with a personal representative of the deceased member. The System  
3 is not required to inquire into the truth of any matter specified in  
4 this subsection or into the payment of any estate tax liability.

5 (14) Upon the death of a retired member, the benefit payment  
6 for the month in which the retired member died, if not previously  
7 paid, shall be made to the beneficiary of the member or to the  
8 member's estate if there is no beneficiary. Such benefit payment  
9 shall be made in an amount equal to a full monthly benefit payment  
10 regardless of the day of the month in which the retired member died.

11 SECTION 3. This act shall become effective November 1, 2017.

Re: RBH No. 5126

RBH No. 5126 allows Teachers Retirement System to terminate its 403(b) (Tax Sheltered Annuity) program. It also changes some responsibilities to the System from the Board of Trustees.

RBH No. 5126 is a non fiscal bill as defined by the Oklahoma Pension Legislation Analysis Act because the amendment does not contain a benefit increase nor create liability.
