Research Analysis

HB1033X provides state approval for a new game offering under the State-Tribal Gaming Act. Tribes may elect to begin offering *non-house banked table games* by submitting a written supplement to an existing gaming compact with the state.

The measure defines *non-house banked table games* as any table game, including but not limited to those table games involving a wheel, ball or dice, operated in a nonelectronic environment in which the tribe has no interest in the outcome of the game, including games played in tournament formats and games in which the tribe collects a fee from the player for participating, and all bets are placed in a common pool or pot from which all player winnings, prizes and direct costs are paid.
