

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB 1355
Version:	INT
Request Number:	6443
Author:	Rep. Murdock
Date:	2/9/2017
Impact:	
DEQ: F18: If not measure is not retroactive, then minimal impact to agency is expected.	

Research Analysis

Pending

Prepared By: Marcia Goff

Fiscal Analysis

HB 1355, as introduced, limits the authority of the Oklahoma Department of Environmental Quality (DEQ) in promulgating rules and regulations more stringent than those of the Environmental Protection Agency (EPA) or by federal laws. Per the DEQ, if HB 1355 is not retroactive, then minimal impact to the agency is expected.
