Research Analysis

HB 1434, as introduced, makes Oklahoma a member state of the Compact for a Balanced Budget. The measure establishes a Compact Commission, authorizes each member state to appoint one member to the Commission and provides that member states or voluntary donations fund the Commission. The bill also makes application to Congress for the purpose of calling a convention limited to the consideration of a balanced budget amendment to the U.S. Constitution and provides for the appointment and authority of convention delegates.

Fiscal Analysis

Provisions of the measure relate to conditions for participation by the State of Oklahoma in any Article V convention, but neither call for a convention nor make provisions for expenses should a convention be called.
