Fiscal Analysis

The FA1 on HB 1462 deals with the Workers' Compensation Commission (WCC). The WCC is a statutorily appropriated agency and therefore is considered non-appropriated. In addition to the impact for the CS, the WCC upon review believes Section 71 H (2) would require the agency to hire 2 FTEs and creates a monetary impact of an estimated \$85,000. However, the agency is non-appropriated and therefore, is technically, not an impact on the state.
