

**BILL SUMMARY**  
1<sup>st</sup> Session of the 56<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>HB 1534</b>
<b>Version:</b>	<b>CCR A</b>
<b>Request Number:</b>	<b>7892</b>
<b>Author:</b>	<b>Representative Montgomery</b>
<b>Date:</b>	<b>5/11/2017</b>
<b>Impact:</b>	<b>Potential Impact to Contracting Facilities</b>

**Research Analysis**

The CCR creates the Oklahoma Local Public and Private Facilities and Infrastructure Act. The act creates a framework that would allow a local governmental entity to execute a Public-Private Partnership contract to provide public services and to generate additional resources in support of a public project.

**Fiscal Analysis**

The Oklahoma Public and Private Facilities and Infrastructure Act contains provisions for contracting and procurement between public and private entities. The Office of Management and Enterprise Services (OMES) does not currently have any specific cost data with which to assess potential impact but will continue to examine the issue as new information becomes available.
