

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB 1621
Version:	INT
Request Number:	5847
Author:	Rep. Rogers
Date:	2/27/2017
Impact:	\$0

Research Analysis

HB 1621 requires that unemployment benefits based on employment with an educational service contractor be payable on the same terms as for other service or employment subject to the Employment Security Act, with certain exceptions. Time during the break between two successive academic years, if service was performed during the first year and there is reasonable assurance that the individual will perform service during the second year, will not be eligible for benefit payments.

Prepared By: Sean Webster

Fiscal Analysis

HB 1621, as introduced, is anticipated to have no fiscal impact.
