

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB 1681
Version:	Introduced
Request Number:	6017
Author:	Representative Wright
Date:	2/7/2017
Impact:	None

Research Analysis

The measure directs the Oklahoma Aeronautics Commission to administer and airport inspection program for all public-use airports within the state of Oklahoma. The measure requires all airport owners to provide access to airport facilities for conducting inspections. Finally, the measure requires the commission to submit a written report to each airport detailing the findings of the inspections.

Fiscal Analysis

According to the Oklahoma Aeronautics Commission (OAC), airport inspections currently take place under an agreement with the Federal Aviation Administration (FAA). HB 1681 provides the authority for the OAC to continue such inspections should the agreement with the FAA not be in effect in the future, but the agency does not anticipate any impact to the state or to airport owners as a result.
