

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB1789
Version:	INT
Request Number:	5023
Author:	Cannaday
Date:	2/23/2017
Impact:	Please see previous summary of this measure

Research Analysis

The introduced measure pertains to teachers of early childhood education, elementary education, and special education, and directs such teachers to receive quality training in multisensory structured language teaching methods in order to meet the needs of students identified as having dyslexia. Additionally, teacher candidates must study multisensory structured language teaching methods.
