

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB 1827
Version:	INT
Request Number:	5801
Author:	Rep. Pfeiffer
Date:	2/22/2017
Impact:	ODEQ: FY18: \$0

Research Analysis

HB 1827 directs the Department of Environmental Quality to develop and promulgate rules for a program to treat, test, and transfer spent foundry sand to the state Department of Transportation for use on roadways and other beneficial uses.

Prepared By: Tricia Hines

Fiscal Analysis

The measure per the Oklahoma Department of Environmental Quality (ODEQ), would have \$0 fiscal impact on the state. ODEQ has rules in place that provide a mechanism for beneficial reuse determinations of foundry sand.

Prepared By: Jenny Mobley

Other Considerations

None.
