**Research Analysis**

The proposed committee substitute to HB 1833 abolishes the Oklahoma Council on Firefighter Training and transfers all duties and responsibilities to the Office of the State Fire Marshal. The measure apportions the levy from fire insurance gross premiums. The measure creates the Firefighter Training Advisory Committee within the Office of the State Fire Marshal.

**Fiscal Analysis**

The measure includes provisions which will modify the apportionment of the fire insurance premium tax by directing the first \$1,600,000 in collections in FY-18 to the Fire Marshal Fund, with all revenue in excess of that amount accruing to the General Revenue Fund. Beginning in FY-19 the first \$2,000,000 will be deposited in the Fire Marshal Fund, with all revenue in excess accruing to the General Revenue Fund. In addition, of the amount deposited into the Fire Marshal Fund, ten percent (10%) is to be remitted to the General Revenue Fund, an amount similar to numerous non-appropriated state entities.

Net proceeds to the Fire Marshal from the tax will approach \$1,440,000, an amount nearly identical to the FY-17 appropriation to the agency of \$1,430,946. With the intent of the change in the apportionment of the premium tax is to eliminate the direct appropriation to the agency, the provisions regarding apportionment result in an effectively neutral result.
