Fiscal Analysis

FA1 on HB 1921 establishes a petty cash fund for the Workers' Compensation Commission not to exceed \$500. This fund will be used to make change for persons purchasing printed or electronic materials for the Commission, paying fees and fines, and transacting other business with the Commission. The Commission will establish and replenish these funds via any operating expenses available.

The amendment also stipulates the exact amount of funds to be transferred monthly from the Tax Commission to the Multiple Injury Trust Fund at \$1.275 million.
