**Research Analysis**

The measure requires state agencies to include in their budget filings to the Office of Management and Enterprise Services the amount of Federal funding received for any program in which the agency participates, the requirements of the program, and the amount of expenditures spent to meet the program's requirements.

**Fiscal Analysis**

The requirement to include federal program funding to the agency budget as submitted to the Office of Management and Enterprise Services (OMES) is not anticipated to result in a measureable fiscal cost or savings.
