Research Analysis

The proposed committee substitute grants the Governor the authority to appoint, remove or replace any gubernatorial appointments on any agency, board or commission. Such members will serve at the pleasure of the Governor. The measure exempts those appointments to any agency, board or commission if the appointment authority is provided for in the Constitution. Likewise, the measure grants the same to appointments made by the Speaker of the House of Representatives and the President Pro Tempore of the Senate.

Fiscal Analysis

Modifying certain appointments made by the Governor, the President Pro Tempore of the Senate, and the Speaker of the House of Representatives does not significantly impact state revenues.
