Fiscal Analysis

The FA2 on HB 2323:

- Adds a misdemeanor and a \$250 fine for any person who is not lawfully present in the US to have specific weapons in their possession;
- Changes a “shall” to a “may” regarding a citation for any person who is stopped for a moving traffic violation and is transporting a loaded pistol in the motor vehicle. This could reduce the amount of traffic citations issued, however this is contingent upon how many citations are issued.
