

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	HB 2349
Version:	FULLPCS2
Request Number:	8018
Author:	Rep. Osborne (Leslie)
Date:	5/16/2017
Impact:	Teacher Salary Cost Estimate: \$53.3 million

Research Analysis

FULLPCS2 for HB2349 modifies the minimum salary schedule for public school teachers by increasing the minimum salary for each pay level by \$1000 beginning with the 2017-2018 school year. The measure cannot go into effect unless HB2414 is also enacted into law.

Prepared By: Quyen Do

Fiscal Analysis

The measure provides \$1,000 increases to the public school teachers' minimum salary schedule. Individuals recognized by the Department of Career and Technology Education as teaching in specified full-time programs are added. Provisions of this act will not become effective unless Enrolled House Bill 2414 is enacted.

Department of Education personnel estimate the cost to provide the increases to be approximately \$53,357,000.
