

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 2524
Version:	INT
Request Number:	8123
Author:	Rep. Cleveland
Date:	2/13/2018
Impact:	\$0

Research Analysis

HB 2524 directs DHS to establish an anonymous complaint system for the reporting and investigation of allegations that a department employee retaliated against a child care facility or facility employee.

Prepared By: Marcia Goff

Fiscal Analysis

HB 2524 has no fiscal implications for the state.

Prepared By: Stacy Johnson

Other Considerations

From the Oklahoma Department of Human Services:

Adding this responsibility to a Peer Review Board might slow down the process since it may be difficult for members to take off work for an administrative review. It may become more difficult to recruit members for the Board.

Regulations would have to protect confidentiality of employee discipline process while still complying with requirements of this bill.
