Research Analysis

The proposed Committee Substitute to HB 2527 allows the board of county commissioners of any county may designate certain employees of the county, who possess a valid handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act, to carry a concealed handgun when acting in the course and scope of employment within the courthouses of the county in which the person is employed. This authority to designate an employee to carry in the courthouse does not allow the employee to carry the handgun into a courtroom.
