Research Analysis

SAHB to HB2578 creates the Aerospace Commerce Economic Services Act, which establishes the Aerospace Commerce Economic Services (ACES) within the Oklahoma Department of Commerce (DOC). The purpose of ACES is to create a partnership of service providers to more effectively respond to the needs of the aviation, aerospace and defense industries in the areas of education and training, research and economic development. The measure outlines the structure of the program, authorizes the acceptance of funds to meet the mission of ACES and requires DOC to partner with the Oklahoma Aeronautics Commission to implement the provisions of the act.
