

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB2926
Version:	CS
Request Number:	9679
Author:	Frix
Date:	3/6/2018
Impact:	\$0 direct impact on public agencies

Research Analysis

The committee substitute modifies the Competitive Bidding Act by authorizing an awarding public agency to provide a qualified local contractor an option to match the lowest bid. The measure requires notice that such bids are subject to local bidder preferences.

Fiscal Analysis

HB 2926 in its current form provides public agencies the option to allow in-state contractors to match the lowest bid related to public construction contracts exceeding \$50,000. The measure is permissive and does not mandate public agencies deviate from existing public bidding procedures; therefore, the measure has no direct fiscal impact on public agencies.
